

ST. TEATH TIMEPIECE

JULY 2021

ISSUE 327

The community spirit is blooming at St Teath!

A piece of overgrown wilderness in St Teath cemetery has been transformed into the beautiful garden pictured above, thanks to hours and hours of hard work by Chrissy Traffon, ably assisted by Tania Sleep. Starting with seeds and plants from their own gardens the pair soon found villagers were offering to bring their own contributions to add to the display resulting in this joyful medley of flowers to gladden the heart of anyone sitting on the cemetery bench.

Spurred on by the success of this venture, Tania then went on to create another colourful extravaganza of flowers bordering the shortcut through the top of Valley View, again using offerings from many villagers' gardens and also adding pictures by the schoolchildren..

Well done and a huge thank-you to you both. .

ST TEATH PARISH COUNCIL

As most of you know, the village of Delabole has now formed its own parish council and this came into force on the 1st April 2021 with their councillors being chosen at an uncontested election on the 6th May .

Councillors - St Teath Parish Council now has a full complement of seven councillors. Four of these councillors were enrolled at the uncontested election on the 6th May 2021 and they were: Tracey Kingdon, Will Kitto, Darren French and Tanya Banks.

At the Parish Council meeting on the 8th June the council co-opted the following three councillors: Nev Turner, Kerry Kitto and Bob Fox and they will attend their first meeting in July. Thank you to everyone who expressed an interest in these positions.

Cllr Dominic Fairman was successfully re-elected as the Cornwall Council member for this ward on the 6th May 2021.

Meetings - St Teath Parish Council continue to meet on the first Tuesday of the month at 7.00pm, although this may be subject to change, so please keep an eye on the notice board (outside the school) or our parish website. To adhere to the Covid regulations and social distancing, we are now meeting in the Church Hall which allows us a little more space.

Neighbourhood Plan - There are exciting times ahead for our village and one project that the Parish Council wishes to pursue is the development of a Neighbourhood Plan. This sets the focus on the future of our parish and addresses many issues including planning, development, housing needs, transport and public facilities. We need your help in planning the future for St Teath and its residents.

A PUBLIC MEETING will be held (subject to Covid 19 restrictions) to gauge residents' feelings on **Tuesday, 13th July at 7.00pm in the Church Hall**. A Neighbourhood Plan does not have to be completed by the Parish Council; it can be led by the council but input from residents is not only important but essential. If you are interested in joining a committee or have some field of expertise that may help, please get in touch with myself or one of the Councillors. To form a Neighbourhood Plan is a lengthy process, but by working together we can make it happen and once the plan is adopted, this will not only be a document recognised by Cornwall Council when making decisions, but a plan for the future - whether this is to expand on the assets already available or to restrict any further development. If your feeling is that a Neighbourhood Plan is not needed for St Teath, please come along and let us know.

Parking – Like in many villages parking is a problem given the limited spaces available, the narrow roads and the increasing number of vehicles in general. Please avoid parking your vehicle on a pavement even for a short period of time. This causes an obstruction to anyone using the footpath and pedestrians need to be protected. Also, please be aware that children may walk out between parked vehicles so limit your speed and help us all to stay safe.

Next Meeting. The date of the next meeting is **Tuesday, 6th July 2021 at 7.00pm**.

Parish Council contact - Please have a look at our website www.stteathparishcouncil.gov.uk where you can send us a message.; or you can contact the Parish Council by email clerk@stteathparishcouncil.co.uk or phone on 07810 234417.

Please note this report is a brief update on Parish Council matters and further details including the minutes of each meeting can be found on the website.

Take care and stay safe!

EDITORIAL

Did you notice that there were some Very Important People in Cornwall last month? No, I don't mean the leaders of the G7 and the royal family. I mean the media who invaded in force.

Why does that bother me? Because so many British journalists were disparaging about our county. References to the "dinky" airport at Newquay, to this corner of England "where nothing happens", the suggestion that scones and pasties were apparently the only food that Cornwall could offer visitors and many more such comments - they made my blood boil. Patronising is an understatement.

Then there was the tabloid writer who documented her ill-fated move to Cornwall to get away from London and live in an idyllic rural community, only to flee back to the metropolis when her new life didn't turn out as she expected, blaming the "locals" for not making her welcome. Scores of readers joined in with comments slating the "Cornish" for their unwelcoming attitude and their determination to force incomers to go back to where they came from.

The Cornish? Don't brand the Cornish people in this way. Many of them were probably people, who, like me, had moved here and found a warm welcome and wonderful community spirit. Yes, of course, many people make the mistake of thinking two weeks of summer sun on a Cornish beach is ideal preparation for a life here. Bluntly, it isn't. Life isn't like that.

Next irritant. Rather than a diet of pasties and scones (delicious in the right setting), the world leaders dined on the finest of Cornish cuisine, provided by local chefs from the Watergate Bay Hotel and Hidden Hut at Portscatho and featuring the finest local produce Cornwall has to offer. They took home hampers of Cornish specialities, provided by a small St. Ives company.

In other words they experienced the best of Cornwall - even shanty songs on the beach and a visit to the Eden Project with the Queen and her family. Cornwall at its best.

I am not defending the decision to hold the G7 here or trying to justify the cost of hosting it, but it did seem that Boris Johnson has more faith in Cornwall than many of the media representatives.

Oh yes, and as an afterthought: the BBC depends on our licence fees. Was it really necessary to send so many of their journalistic elite to cover the G7? Wasn't political editor, Laura Kuenssberg, (stationed on a balcony in St. Ives) enough? Apparently not. She brought a retinue with her. Even the USA editor, Jon Sopel, flew over here to add his contribution. Perhaps his trip was worth it. Enjoying a quiet drink on a pub patio he discovered President Joe Biden and his wife, Jill, had the same idea. Surprising who you meet, chilling out on an idyllic Cornish evening!

ST TEATH CARNIVAL

In this space there was to be a lovely, upbeat announcement from the Carnival Committee, telling us that, although there would be no procession through the village this year, there were plans for all kinds of fun events during Carnival Week (starting Sunday 18th July) including a pop-up Supper, Bingo and a Fun Dog Show with prizes for the greediest, the naughtiest and the oldest dogs,

However Boris' latest pronouncement that restrictions will not now be lifted for at least another month has made it impossible for any of this to take place, so it is with great regret that the Committee has made the decision to cancel Carnival once again for this year.

This is, of course, a great shame, as we are all in need of a bit of fun in these dark days. Perhaps when restrictions are finally lifted, we may be able to get together and organise some alternative entertainments to lift everyone's spirits? Let's not give up hope!

There was never any lockdown—there were just middle-class people hiding away while working class people brought them things.

J.J. Charlesworth.

DIANA JONES

I would like to thank everyone who has stopped me in the street to say how sorry they were about Diana's passing and for all the cards you have sent to me and my family.

Thank you to Claire Salzmänn and the choir and organist for the wonderful church service. Thank you to the bearers: Darren, Justin and Andy Burden, Chris and James Roose and Timmy Harris. Thank you to Paul Burden and Phil Roose for ringing the bells. Thank you to Bruallen for the beautiful flowers. Thank you to Barry at the White Hart for opening the doors and putting on a lovely spread for us. Thank you to R.J.Bray & Son Funeral Services for everything you have done for us. Thank you to Elaine, a very good friend and neighbour for taking Di out in the wheelchair. It made her very happy to be out in the fresh air and meeting people. Thank you to all the family and friends who came along to pay their last respects to Di.

Di had a love of the outdoors, walking her dog Jess, catching up with people on the way – there was more talking than walking! Di put up a brave fight against her cancer for the last four years but she is now at peace. We will all miss her very much.

Thank you from **Alan, David, Susan and all the family.**

A Methodist Minister's View

I am writing this article a few days before the commencement of the G7 Summit meeting at St. Ives. We have become aware over the past weeks of the arrangements which have been made to enable this event to happen in a secure and safe environment. The planning, of course, has been going on for many months to police the event with some 5,000 officers, all of whom have to be briefed and accommodated.

Alongside the conference, arrangements have had to be made for the Worldwide television, radio, and newspaper journalists to be able to prepare and release their stories. The stories will produce the news headlines for a few days, but by the time you read this article things will have moved on and the newspapers recycled. The costs of all the arrangements will be quite a few million pounds – which investment we need to hope will have World Wide impact.

Many stories will emanate from the whole experience besides those which will be on our news bulletins or in the newspapers. The police, hotel staff and residents will all have a story to tell.

In our Methodist Churches in the month of June we are sharing in Bible Month and this year are looking at Mark's gospel in our Bibles. Mark is the shortest of the four gospels and was the first to be in circulation for reading amongst Christian groups in the era of years 60 or 70 A.D. – about 30 years after the death of Jesus. We are used to reading short passages from the Bible, but the whole of the Gospel can be read in about 2 hours. Reading the gospel in this way gives one an overview of the story of Jesus. The challenge to all of you is to give it a try and see what impressions you form reading a story that is nearly 2,000 years old. Unlike the 'news stories' it has not gone out of circulation or out of print – which is in itself amazing – and has an everlasting significance for us all.

One of the letters in our Bible was written to the Hebrews and in it the writer says, '*Jesus Christ is the same yesterday, today, and forever*', see Hebrews 13:8. The teachings of Jesus are still relevant today, and his power experienced by people. The story of Jesus is enduring and worthwhile exploring.

**Every Blessing,
Bryan Ede**

CHURCHTOWN CAFE

FROM RUTH & SAM, the new owners:

We are now a few weeks into taking over your much-loved café, so we thought we would take this chance to say a massive THANK YOU to the village for welcoming us with open arms.

This is a very new venture for us, even though Sam has been in the catering business for many years now, this is our first experience of running a well - established cafe. We are grateful to Tash and Justine for their help in making it a smooth hand-over and in showing us the village way.

We'd like to thank you for your patience and understanding with us as we find our feet. As you are all aware, these are very different times for everyone, so there may be a few changes here and there as we go forward. We are both very excited about our future in this beautiful, friendly village.

Don't be afraid to pass on any feedback or comments as they're always welcome in helping us to adjust, but keep your eyes peeled as we develop new ideas to share with you all.

Sam and I very much look forward to chatting and getting to know everybody!

PAUSE FOR THOUGHT

This month I would like to share with you a prayer that has been important to me: it is thought to have been written by, or at least used by, Sir Francis Drake the 16th century explorer. A man of his time he was far from perfect (like all of us) and did many things that we find reprehensible today, nevertheless no-one is all bad and, even if you don't pray, these words may have something to say to us ...

Disturb us, Lord, when
We are too pleased with ourselves,
When our dreams have come true
Because we dreamed too little,
When we arrived safely
Because we sailed too close to the shore.

Disturb us, Lord, when
With the abundance of things we possess
We have lost our thirst
For the waters of life;
Having fallen in love with life,
We have ceased to dream of eternity
And in our efforts to build a new earth,
We have allowed our vision
Of the new Heaven to dim.

Disturb us, Lord, to dare more boldly,
To venture on wilder seas
Where storms will show Your mastery;
Where losing sight of land,
We shall find the stars.

We ask you to push back
The horizons of our hopes;
And to push back the future
In strength, courage, hope, and love.

This we ask in the name of our Captain,
Who is Jesus Christ.

Angela Cooper, Rector

SAVE THE DATE FOR ST TEATH'S 30th VILLAGE SHOW

SEPTEMBER 4th

This year's show promises to be a big hit with everyone in the village, providing, of course, that our friend Covid behaves itself. The format for the show will be slightly different in that we may not be able to open up to the public in the usual way following the judging of exhibits and for the presentation of trophies but we will do our best.

Look out for your Show Schedules, these should be landing on a doormat near you very soon and we hope it will then be full steam ahead with your knitting, sewing, sowing and growing.

Prior to the Show, we shall be holding a Coffee Morning in the Community Centre on

Saturday 14th August

where you will be able to have a nice cup of tea/coffee and a biscuit and also to purchase some delicious home-made cakes to take home with you. During the morning we shall have our usual demonstration - this year it will be on **presenting and staging your exhibits**. Please come along and support us, this is our one and only fund-raising event of the year.

Remember we always welcome volunteers to help us set up before the show (this year setting up will be on 3rd September) and to dismantle everything afterwards.

GLEND A

Do you want something to be organised efficiently, effectively and without any fuss? Ask Glenda May.

I did - year in, year out at the village lunches and the flower festivals. So did the Village Show committee, knowing Glenda would quietly get on with her job as show treasurer. No hiccups, no last minute problems, everything ran like clockwork. When I came up with the (mad) idea of holding two Christmas lunches, Glenda was the genius who dealt with all the bookings and the awkward customers. I just had to feed them..

I remember when Glenda worked with Elaine and Rick in the shop. Always smiling, often giggling with Elaine and Rose, always welcoming and, of course, super efficient.

Glenda has been a long-serving member of the Timepiece team, making sure copies have been mailed to readers every month and always ready to discuss changes and ideas.

For decades Glenda has been a familiar figure at village events (apart from a brief period of living "up country"). An enthusiastic member of the WI and the Gardening Club, she supported everything. If there was a coffee morning, you could be sure that Glenda would be there. If Yvonne organised one of her famous Cream Teas, she could enlist Glenda's help, preparing the refreshments in her kitchen.

But the time has come for a change. At the end of this month Glenda will be moving to join her family in Staffordshire. I know she is eagerly looking forward to the move with excitement and also how much she will enjoy spending time with her daughters and their families.

I will miss her so much, as will all her many friends - there isn't room to list them all here. It is difficult to imagine life in the village without her. When, and if, life returns to "normal", I can't imagine a fund raiser without seeing Glenda among the coffee drinkers.

Be happy, Glenda. We wish you the very best for the next, exciting chapter of your life and can't thank you enough for your generosity, your wise advice and kindness to us all over many years. Keep in touch and perhaps you would like to subscribe to TIMEPIECE By Mail?

BARBARA S.

PS. Thank you to **Karen Peach** who has kindly agreed to take over TIMEPIECE by mail from Glenda.

ST TEATH SCHOOL REPORT

After months of Lockdown bubbles, it has been lovely to once again allow the children to go on educational visits. Willow class had a wonderful trip to the zoo. This was the culmination of all their work on Africa. The children thoroughly enjoyed their day out and especially liked seeing many of the more exotic animals and birds. The reptile house was a clear favourite!

Sycamore class had a super trip to Truro, visiting the Royal Cornwall Museum and the Cathedral. The children have been studying both the Romans and Places of Worship, so this was a wonderful end to these topics. At the RCM, the children enjoyed an excellent workshop, making oil lamps, investigating artefacts and doing all things Roman!

Year 6 Oak pupils had the wonderfully talented Reg Payn in to work with the children on a project entitled, '*The other side of the Postcard*'. The idea was to present the 'true' Cornwall to the G7 delegates, and not the picture postcard image that many associate with our county. The children produced couplets and related images, and were then filmed to create a short visual poem about the real Cornwall. The children had a great day and will hopefully have gone some way to educating the general population about what we know to be the real Cornwall, which is not a scene from Doc Martin!

In English, Oak class children have also been learning about the G7, so have written letters to the seven world leaders, to raise their concerns about Global Warming, plastic pollution and sustainability. I wonder if they'll reply?

A busy first half of the Summer Term is to be followed by an equally busy second half of term, which will include more visits, a school camp, sports days and of course the now traditional end of year performance, which this year, is *Bugsy Malone*. We just hope we will be able to perform to a live audience.

Finally, I am very pleased to announce that the Trustees and Local Governing Board have appointed a new Head Teacher, who will commence in the role in the Autumn Term. Mr Dan Kay is an experienced school leader and will take over the position vacated by Mr Banks, who has stepped up to be the fulltime CEO of the North Cornwall Learning Trust.

THANK YOU!

A heartfelt thank-you from everyone in the village to **LORRAINE & DAVID** for this beautiful bench in memory of their son **ANDREW**. Jenny Tidd was very pleased to be able to take a rest with her coffee (from Churchtown Café) in such peaceful surroundings on a sunny afternoon recently.

THE ST TEATH 'JOYBIRDS' - FROM 1948!

During a Church spring clean, (lockdown has been responsible for an awful lot of tidying!) various old documents came to light. One of them mentions the concert party which Sylvia Mewton had joined in about 1940. It had been formed by Kitty Parsons and the Revd Bray and performed at various events around North Cornwall. At the end of 2019, the former St Teath WI voted to form a new women's group, and after much hilarity and a democratic vote, Sylvia's suggestion that we become known as "The St Teath Joybirds", after the original concert party, was duly adopted! This is an extract, from a document of 1948, which I sent to Sylvia, in which plans are being made for the Fete:-

*"It was also decided to have a Lady's Ankle Judging Competition. Entry fee 6d Prize being a pair of Lady's Silk Stockings. Flora Dance in the evening to be followed by a concert given by the **St Teath Joybirds**. Admission to concert 1/6d."*

I was desperate to find out who had the finest ankles and won the 'Lady's Silk Stockings', so asked if Sylvia could remember, and this is part of her reply:-

"Thanks for the letter, very interesting I knew all present also Revd Oatey who married us. But I can tell you who won the Silk Stockings: Miss O. James, Mrs Parson's sister. We were all envious as you could not get stockings, only from the Yanks at Hengar Manor where they were stationed. O dear, sights not heard of!"

Thank you, Sylvia! I am now left wondering who was the 'lucky?' judge of 'Lady's ankles'!

A NEIGHBOURHOOD PLAN FOR ST TEATH?

What is a NEIGHBOURHOOD PLAN and does our village need one?

A Neighbourhood Plan is a new type of planning policy document (referred to as a Neighbourhood Development Plan, once it is formally adopted by the Planning Authority) which **relates to the future use of land or to how a place works: matters such as housing, transport and much more** in a very local area— a parish or a neighbourhood.

To gauge public feeling the Parish Council is holding an informal Open Meeting in the Church Hall on Tuesday, 13th July 2021 at 7.00pm.

Please come along and let us have your thoughts and your ideas for the future of our village. If you are interested in helping to move this project forward (pending parishioners' support) please let us know.

AN UPDATE FROM ST TEATH CHURCH HALL

Because of the difficulties of deep cleaning between hiring sessions, the Church Hall currently remains closed to regular hirers. We will reassess on 21st June, but are taking provisional bookings. Please call Lon Evans on 01840 212400 or email her on aevans31@sky.com.

Despite the restrictions, the hall hosted the polling station for council elections in early May. And after winning a grant of £3000 from Cornwall Council in November, the committee was delighted to receive a further two council grants earlier this year, totalling £5000. The money will go towards much-needed repairs to the fascias and guttering.

As a registered charity, we're always very grateful for your support — a big thank you to those who have sent donations during our closure. We're also signing up to Amazon Smile and PayPal Giving Fund, so you'll be able to support the Church Hall at no cost when you shop on Amazon, or donate to us more easily through PayPal, eBay and other online platforms. Thank you in advance for any help, and we look forward to welcoming you back to the Hall soon.
