Cheers! Valley View celebrates with a street party.

FROM OUR COUNTY COUNCILLOR

I write this just days after the Local Elections and the Coronation—two events which brought about significant change in the country, and both I feel threw up questions about the future.

I was disheartened by the fact that both events were marked by an erosion of our civil liberties. The requirement for voter ID is not only unnecessary but undermines a democracy that is held the world over as a beacon of trust and fairness. Similarly, the right to protest, free speech and the whole principle of policing by consent are cornerstones of Britishness and I feel are threatened by the new powers under the hastily enacted Public Order Act that were given to the police and used in wrongfully arresting a handful of peaceful protesters.

The Coronation itself was a flawless exhibition of pageantry and tradition that reflects our long history. Our armed forces gave an exemplary demonstration of military excellence and I do believe that it is important for the men and women who serve us to have an unelected head of state as their Commander-in-Chief – one who is above party politics. I personally felt that their “hip-hip” salute to the King in the palace grounds at the end of the precession was one of the most moving moments of the day.

However, it is becoming clear that the passing of the crown will be used as an opportunity for more nations to consider formally leaving the commonwealth. It is also clear that the monarchy has much less relevance now to younger people who will increasingly question the personal wealth of the Royal Family and also their burden on the taxpayer. The King has indicated a desire to slim down the monarchy, but I wonder if he will be able to keep pace with public opinion.

A few days before, the Local Elections gave a clear message that voters want change and, given the scale of the challenges facing us it is becoming apparent that a post-pandemic return to business as usual is not going to cut it – even if it were possible.

Without radical action on building affordable homes and council houses the housing crisis will continue to blight future generations for decades to come; our broken food system is eroding the health of the nation at a rate that cannot be met by the NHS; and we live in one of the most nature-depleted countries in the world as we continue to let private companies dump sewage into our seas and rivers. This is without touching on climate change, rising mental health issues and the escalating cost of living.

However, we are blessed with strong local communities in rural North Cornwall and there is much we can do and that we already do to support each other. In this respect I believe the focus on community volunteering to celebrate the Coronation weekend was a fitting tribute and I would thank everyone who made the celebrations so enjoyable in all our villages and then do so much other unsung work throughout the year.

ST TEATH RUBBISH RAMBLERS

Our Coronation pick on 4th May rendered quite slim pickings. Could this be a sign that we're getting on top of things? Earlier, our Newhall Green branch had found, amongst the usual things, a pair of dancing shoes this side of West Down. Are any Strictly contestants bereft?

Many thanks to all villagers who pick up rubbish independently. Much appreciated.

The team meets informally every first and third Thursday of the month at 10 am, by the White Hart pub. Dates coming up are **1st and 15th June**, and **6th and 20th July**. New faces are always welcome. Please dress visibly, wear gloves and bring a bin bag. Routes range from short and flat, to the longer, hilly ones. Coffee and chat afterwards.

Jonathan (email: profitpie@aol.com)

CORONATION CAPERS

The children made their own crowns.

Linda and Adrian kept the coffee and cake coming in the Community Centre and thank all who supported them and helped raise a fabulous **£440.90** for Cancer Research & St Petroc's Homeless

CELEBRATIONS ON VALLEY VIEW

Tables were laid ready, balloons and bunting kindly put up by the children, as well as drawing chalk hopscotch on the pavement. The sun was shining, music was on and our neighbours and friends were arriving with plates of yummy food and a mountain of cakes, also with celebration bottles of wine. What a wonderful few hours it was! It's not very often that we all meet up together these days. Thankyou everyone for coming, it was a really wonderful afternoon full of laughter, chatter and stories of the last coronation. Also thanks to all the helpers: Alan for hosting it, Tom for the music, Jean for her beautiful flower arrangement, special thanks to the children and most of all to everyone who joined us.

ST TEATH ANNUAL PARISH COUNCIL MEETING

Eighteen local community groups came along to the very well-attended Annual Parish Meeting hosted by St Teath Parish Council at the beginning of last month. Many commented how nice it was to have an event like this and how useful it was to share ideas and support one another.

The meeting gave representatives of all the village-based groups the chance to update everyone on what they have been up to over the past year and their plans for the next 12 months. Many of the groups raised the need for more volunteers to help them deliver their activities but it was also lovely to hear about all the amazing clubs and events happening around the village. The Community Gardeners, Rubbish Ramblers and SpeedWatch teams were all given well-deserved rounds of applause for the sterling work they are doing.

The Parish Council also provided details regarding its new Community Sparks Fund which will allow groups to bid for funding each year. The deadline for requesting funding support is 30 September and the Parish Council look forward to receiving bids which should be emailed to the Parish Clerk via clerk@stteathparishcouncil.co.uk.

Free Defibrillator Training event

Would you like to learn lifesaving skills for FREE?

The Parish Council has teamed up with Cornwall Training and FLEET Front Line Emergency Equipment Trust to offer locals the opportunity to learn lifesaving skills. Come along to one of our free sessions, booked to take place **in the Community Centre on Tuesday, 20 June at 7pm or 8pm** and learn how to perform CPR and use a defibrillator. These sessions will act as an introduction as to how to perform and use a CPR. There will be two x 1 hour sessions and you can choose which hour you would like to attend. No pre-booking is required, you can just turn up on the day!

This is not a substitute for a full first aid course, but it will give you a basic level of knowledge and hopefully, the confidence that you would know what to do if you ever needed to.

Please share as we would love for as many people to come along as possible. If you have a question, please contact clerk@stteathparishcouncil.co.uk.

Reporting footpath concerns

The Parish Council has received a couple of enquiries recently regarding issues with our local footpaths. Although these are discussed at our Full Council Meetings, the quickest way to get any issues resolved is to contact Cornwall Council via the Cornwall Council website where you need to fill in the contact form at https://secure.cornwall.gov.uk/form/auto/countryside_issue However, if you need to report something that is causing an immediate danger or it is an emergency, please call 0300 1234 222.

Please also note, that whilst it is the responsibility of the local authority to maintain the surface of public footpaths, it is the duty of the landowner to ensure they are safe for use.

Julie Fairman, Clerk, St Teath Parish Council.

ST TEATH COMMUNITY BUS

The bus is available for private hire by local organisations and private individuals but we respectfully remind anyone hiring the bus that they are responsible for settling the cost of any penalties incurred during their period of hire. The bus is **not** available for hire to commercial organisations. To hire the bus please contact **Di Cox on 01208 850983**.

Any other enquiries regarding the bus contact Mandy Woods on 01208 851346.

THANKS SO MUCH, SUE!

It was in the Summer of 2016 that *Timepiece* came the closest it has ever been to expiring altogether. Julian Hill, who had been our stalwart compiler for the previous fifteen years, had finally been forced to retire due to failing health. At a hastily convened meeting in the Community Centre villagers declared their undying support for the newsletter and their heartfelt sorrow at the thought that it may have to cease production. However, when a clipboard was sent around asking for volunteers, the number of people who signed up was disappointingly small.

Sue Hargrave's name was first on a very short list and her offer of help saved the day. Sue immediately took over the whole business of turning our edited text, photos and adverts into electronic copy for delivery to the printers. Since then Sue has continued month after month to devote time and energy to *Timepiece* and to cope with the whims of the editors. Regrettably Sue has now decided that the time has come for her to hand over the reins to someone else. We are enormously grateful to Sue for all she has done for the newsletter over the past six and a half years and for her tolerance and forbearance, despite having had her patience sorely tried at times.

This does, however, now present us with the task of finding a new computer-savvy person to join our team. We are looking for someone who is familiar with *Microsoft Publisher* and can handle basic word-processing and visuals — nothing too complicated. If you have a few hours to spare once a month and are willing to have a go at helping the St Teath community in this way, please email us for more information. In the meantime your editors will continue to keep things going as best they can and hope readers will excuse the inevitable blunders.

Obviously the sooner a rescuer for *Timepiece* can be found the better! Please get in touch and save *Timepiece* from extinction once more.

A VILLAGE CALENDAR

Have you ever been organising some village event and wondered if it clashed with somebody else's? Apparently there used to be a village calendar to which people added their events and this was consulted to check for date clashes. I would be happy to resurrect this by keeping an online diary (of course it means people would have to let me know what and when they were planning to organise an event). I could share or check it when anyone needed to see if a date was free. If you think this is a good idea and have an event you want included -

Facebook message me (Carol Blewett) or phone 01208 851091

(Our abject apologies to Carol for sabotaging her message in the May issue by omitting the final 1 from her phone number. Sorry! ED.)

GLAD TIDINGS!

It is with great relief and joy that we can announce that **CHURCHTOWN CAFÉ** is no longer up for sale! Sam and Ruth have thankfully decided to soldier on and have taken the café off the market. This is tremendous news for the village and we urge you all to show this hard-working couple how much we appreciate their faith in our village by visiting this beautifully appointed, friendly community café as often as possible. It's now up to us to give Sam and Ruth the support they deserve and make this lovely café the centre of village life again, as it always was before Covid came along and turned us all into hermits.

ST. TEATH COMMUNITY SPEED WATCH (CSW)

On 19th April out of 62 passing vehicles, 9 vehicles were being driven at the following speeds within the 30 mile per hour speed restriction zone : **2 x 39mph, 2 x 38mph, 1 x 37mph, 1 x 36mph, 3 x 35mph.**

Between 2.30 – 3.30 pm on 27th April out of 66 passing vehicles 12 were being driven at the following speeds: **1 x 43mph, 2 x 39mph, 3 x 37mph, 3 x 36mph, 3 x 35mph:**

Between 2.30 – 3 pm on 4th May out of 37 passing vehicles, 5 were being driven at the following speeds: **1 x 38 mph, 2 x 37 mph, 2 x 36 mph. This speed watch was curtailed due to the onset of inclement weather.**

Between 2.30 – 3.30pm on 11th May out of 54 passing vehicles 5 were being driven at the following speeds: **1 x 54 mph, (did not slow down as it was driven towards the 20 miles per hour zone: 3 x 35 mph, 1 x 38 mph.**

The members of the St. Teath Community Speed Watch involved in an incident near the playing field have been touched by the number of young parents and carers who took the time to ask if we were okay. Thank you everyone! It was so kind of you.

Special thanks go to the lady, who from a short distance away, stood and filmed the incident on her mobile phone. Quite a brave thing to do!

COMMUNITY OF ST TEATH DJEMBE DRUMMING GROUP

Our drumming group has been running for over 10 years now but since covid lockdown our numbers have sadly dropped, so we are looking for new people to come and join us. It doesn't matter if you have not played a drum before, let us know if you are interested in coming and we can bring a spare drum for the evening.

The cost per evening is £4 for 2 hours. This money is put into a kitty and is saved until Christmas when we all go out for a Christmas social get together and meal. Heating and hire of the Community Centre is also taken out of the kitty. Yes, Phil and Frankie teach for free!

Bring a drink and snack if you wish for the break in the middle of the evening when we have a bit of a social and chat. We are a very friendly group of people of all different abilities, so please don't feel intimidated if you have never played before.

We meet every Monday at 7:00 pm and finish at 9:15pm in the Community Centre

Why not pop in one Monday to sit and listen?

St TEATH SCHOOL REPORT

As I write this, we are halfway through our Key Stage 2 SATs and we are already so proud of the way our sixteen Year 6s have approached these tests. Once they are completed, we can make sure the children embrace every leaving opportunity they can, before they say their farewells to us in July. In September we currently welcome 16 new starters in reception. Transition arrangements for them has already begun and we are excited to welcome our new starters in the summer. Our current numbers on roll are 113, the highest I believe they have been for over 100 years.

We held our very own Coronation party last week, with the parents being very generous in the donating food for our street party. The children sang and danced and ate well. We were fortunate enough to be visited by some special visitors wearing their very best clothes for the day. The hall looked very colourful and patriotic.

Sport continues to be a high focus with our netballers taking centre stage this term. We took two teams to the NCLT tournament at Camelford, finishing 4th and overall winners. Both teams played some great netball and showed real determination in ensuring their team won so many matches. Each player developed through the tournament too. Our winning team won all 6 games on their way to victory.

NCLT Netball teams

Twelve Year 1&2s braved the wet conditions to take part in a multi-skills activity showing great confidence and skill throughout. The future of sport at our school looks bright with these children developing so well.

Years 1 & 2 Multi-skills Team

Elm Class made sunflower pictures

Our School Council are making plans to revamp the outdoor areas with the help of Mrs Wilson. We want to create a quiet area and a story-telling area. If you have anything to donate which might help with this, please contact the school office. The council are excellent ambassadors for our school

This term is in its infancy with our having had just over 2 weeks with the children as I write. By the time it comes to the next issue, I hope to be writing about more sporting successes, talking about Year 6 leavers and other exciting projects in the pipeline.

Have a lovely month

ST TEATH CARNIVAL 2023

We have so much planned for Carnival week this year, and have worked hard to make sure that there is hopefully something for everyone.

We start the week with **Sunday Funday**: Magic show, live music, BBQ, bar, bouncy castles and ice creams.

Monday is Bingo day, including FREE kids' bingo. Every child will leave with something. Followed by our usual Bingo night..

Tuesday is the first **Pop- up Play session**. The pop up play itself is aimed at the younger children, but we will have simple activities to keep all children entertained. Tuesday evening is **Family Game Show** night. A bit of a mash-up of all our favourite retro game shows and more besides.

On **Wednesday** we have our first ever **Fun Dog Show**, kindly hosted by Bob. Wednesday evening is **Quiz Night**

Thursday is another **Pop up Play**, afternoon tea, and an evening of live music with *The Monkeys Uncles*.

On **Friday**. A 3 legged race and live music. Dusk at Dawns.

Saturday is all about the **Carnival**. Please, please, please take part. We all love to watch the procession, but the knock-on effect of this is the Carnival gets slightly smaller each year. You'll still see everything, just from a different angle. After Carnival it's back to the tent for prize-giving and more live music. This year it's *Strange Brood*, and *The Boys*.

All the bands we have booked are fantastic local talent, and you'll be able to find more detail about them in the Carnival programmes which will be delivered to you early in July.

After all of that, we'll be cooking up a storm on Sunday morning.

We made the decision last year to move Carnival week forward one week to take place entirely during the summer holidays. We hope this will make the week more accessible for families and help to keep the kids busy for one week of the holidays. We have also carried out some extra fundraising in the last few months to enable us to cover the costs of lots of the things the kids enjoy. This means bouncy castles, face painting and glitter tattoos are all free, and we have been able to book the Pop-up Play. Aside from this, we are planning some other activities for children big and small to take part in throughout the week. Details to follow once we know them! As usual there will be hot, homemade food available every day, and we intend to open each afternoon for anybody who wants to come for a cuppa and a biscuit.

So, we have most of the planning and organising in hand for this year, but what we don't have is

Our Royalty Is your child interested in being this year's King, Queen, Prince or Princess? We'd love to hear from you. Please message our Facebook page or send an email to stteathcarnival@gmail.com

The deadline for entries is **30th June** and names will be drawn from a hat. This year's royalty will be crowned officially on Sunday Funday, but informally at the end of June to allow you to enter other carnivals should you wish. This isn't a necessity, but it would be lovely to see St. Teath represented if you can.

**Our final fundraiser before Carnival is a coffee morning
on Saturday 24th June 10-12 in the Church hall.**

ST TEATH COMMUNITY CENTRE NEWS

The Committee and a small number of St Teath residents attended the open meeting at the Community Centre on March 22nd, 2023 at 7pm.

Proposal to amend existing constitution:

Under charity law, the St Teath Community Centre Association is a charitable organisation and any inhabitant of St Teath and its neighbourhood is entitled to benefit from the Association and therefore must be able to vote on matters relating to it. The existing constitution does not permit voting rights to this extent as it requires a membership. The CRCC (Cornwall Rural Community Charity), who oversee and assist Community Centres, have advised that Membership Associations such as ours are no longer fit for purpose, chiefly for the reason that it is very difficult to devise a procedure to ensure that all those entitled to benefit from the Association (ie everyone in the village) have the opportunity to become members.

At the meeting, we asked for general agreement to:

remove the clause relating to Membership

proceed with an amendment to the constitution to reflect voting right for everyone.

It was agreed by all those present that this process begin and the Committee will formally seek the approval of the inhabitants of St Teath and its neighbourhood to an amended document with due notice under the provisions of the original constitution. We will proceed under the guidance of the CRCC (Cornwall Rural Community Charity) and ACRE (Action with Communities in Rural England) as well as using the model approved by the Charity Commission,

It is the intention that this new governing document will be more in line with the current models for village halls and will stand us in a better position as we progress to register as a charity.

Any objections can be put in writing to the Community Centre email address and we will consider them alongside the development of the constitution.

NEWS FROM PRICKLES AND PAWS HEDGEHOG RESCUE CENTRE

Greetings One and All! We hope that you are all enjoying the longer evenings and (occasionally) warmer weather. We have been enjoying hearing about all of your hedgehog sightings, we are now well into breeding season and it's likely hedgehog activity will increase due to this. At the Rescue we are now very much on countdown to the first orphaned hoglet of the year as last year May saw the first of nearly 350 hoglets admitted to the Rescue, making up part of a total of nearly 1300!

As many of you are no doubt aware, hedgehogs are now sadly vulnerable to extinction, but there are lots of ways that we can help them out in your back gardens. Here are our top tips:

Provide a shallow dish of water; Let garden boundaries grow wild; Create a bug hotel ;Sow wildflower seed; Create a hedgehog highway;  Please check long grass and hedges before strimming!

Most importantly of all :-

PAUSE FOR THOUGHT

Whilst some memories of the day will linger long, the Coronation of King Charles III will have ceased to dominate the media when you read this, but this historic event was celebrated in all the churches of the Camel-Allen Benefice: by a prayer vigil for the King and Queen Consort on the eve of the Coronation at Advent; by morning services on the day after at Camelford, St Teath and a joint service of Anglicans and Methodists at Delabole Methodist Chapel; and by a civic service at Lanteglos-by-Camelford at which the lesson was read by the mayor.

King Charles may or may not feel adequate to the task fate has allocated to him ~ he has sometimes said that he will find it a challenge ~ but he believes, I am sure, that God has called him to fulfil this role, whether he would rather it fell to someone else or not. For Charles, being King is his vocation, through circumstances not of his choosing, he was born to it.

No one else has *that* vocation, but each of us has some vocation, given to us and to no one else, in exactly the same way. We are, each of us, born into particular circumstances and with particular talents and aptitudes that are *given* to us, not chosen or earned by us. What will we do with the gifts we have been given? We have the luxury of a choice which, other than simple acceptance or abdication, Charles does not, and there is the strongest possible pressure for him to accept, as he has done, and to do his duty.

We will all fail and fall occasionally (or often) to a greater or a lesser degree, but our vocation does not vanish simply because we have failed to live up to it. Most of us will, at some point, wrestle with the constraints in which we find ourselves and be tempted to imagine alternative paths: What if I had grown up with better or different opportunities? What if I were a man instead of a woman, or a woman instead of a man? I wish I were more attractive, or more intelligent, or more athletically gifted, or younger, or older. And so on. It is indeed tempting to dwell on these what-ifs, but this is an insidious distraction from living out our true vocation.

No one in the world has ever been born into the particular circumstances of Charles: 70 years a king in waiting and becoming a constitutional king in the 21st century. But, similarly, no one in history has been born into your particular time and place in life, or into mine. Your vocation and mine are in their own ways as unique as that of King Charles III. Part of his vocation is to embody the very principle of vocation to the world, with the hard act of his mother to follow, a world that has become dazzled and disoriented by its many choices, and a culture which places value on being somebody else, somebody special, someone wealthier, more powerful or more famous than us, so that we can too easily lose sight of the beauty of being precisely the person God has made us to be and of fulfilling the vocation God intends for us, however lofty or humble that might be. We are all made in the image of God and God loves and has a plan for each of us.

So may God preserve each and every one of us. And God save the King!

A METHODIST MINISTER'S VIEW

I was interested to note the emphasis which was put on 'service' in and throughout the Coronation Celebrations. Right from the start of the Coronation Service in Westminster Abbey this theme was to the fore. You may well recall King Charles's reply to the young Chapel Royal chorister who welcomed him. His words were to the effect that he saw himself as having been called to serve as opposed to being served.

As I have thought about those words spoken by King Charles, I have recalled that one of the landmarks of our late Queen was her Service to us. The story of Jesus undertaking a task normally undertaken by a Servant in a Jewish household also came to mind. In that story in the *Gospel of John Chapter 13* in our Bibles, we read of Jesus washing his followers' feet before they shared a meal together. He comments that in doing that he was setting an example for them, so that they would be prepared to be humble in their actions for the benefit of each other, and by inference for other people.

This theme from the Coronation Service was carried through to the Bank Holiday Monday which was marked as a 'Big Help Out Day' to encourage people to become aware of needs in their local communities and to offer their time and talents in response. We have a long history of Volunteering and serving the needs in local communities in this country. In differing ways all of us have benefitted from the work of volunteers, be it through such things as Youth Groups, visits to Stately Homes, receiving First Aid, or sharing in community events. The challenge for us all at this time is to consider what contribution we can make to our community life. In many spheres of life in our local communities I hear of a lack of voluntary help.

I recall some other words of Jesus to first followers which can be found in the *Gospel of Matthew chapter 7:12* – "Do for others what you would like them to do for you...." Challenging food for thought and action.

Every Blessing,
Bryan Ede

ST TEATH CHURCH FLOWER FESTIVAL

There will be a Flower Festival again this year from

28th July to 30th July

The theme will be **NEW BEGINNINGS** which has been chosen because of the many changes which have taken place in the village during the last year.

If you would like to do a display, please contact **Yvonne on 01208 850497**, so that displays can be listed and locations arranged. Displays will be very welcome from previous exhibitors and from new organisations or individuals who have not exhibited before.

I would like to know as soon as possible so that I know how many displays to plan for. Thank you!
