## FROM OUR COUNTY COUNCILLOR

By the time this parish magazine is delivered I hope that the new 20 mph zones will have been rolled out across all of the parishes in the Camelford Network Area, including this and all the other villages in my division.

Previously it has been extremely hard to get 20 mph zones implemented due to the high cost and ongoing maintenance obligations of installing speed humps and/or speed cushions. However, following a successful campaign by the 20-is-Plenty group, Cornwall Council have decided to trial a sign-only approach in line with the guidelines that 20-is-Plenty have developed. By and large, all the new 20 zones will encompass most of the current 30 mph zones with some minor exceptions where the drop in speed requires a staged approach or where the current 30 limits are in an area that is not obviously residential.

There is a reasonable expectation that by making this the norm across a wide geographical area and with a strong public awareness campaign and ongoing education and support for Community Speed Watch schemes, it should be enough to lower the overall speed of traffic in our villages, making them more pedestrian and cycle friendly and generally more pleasant to live in.

If you are interested in joining or setting up a Community Speed Watch, then please get in touch with me. These are a really effective way of targeting speeding motorists, and it is sad to note that most of the letters issued as a result of being “zapped” go to local drivers.

The schemes will also be helped by new legislation ensuring the mandatory fitting of speed warning indicators in all new cars from July. Whilst I have heard that some members of the current Government are against the idea, I can only hope that Parliament overall continues to see sense on this matter, as the evidence around road and pedestrian safety with reduced speeds is very strong and this is certainly a change I support.

The other plus side of this approach to 20 zones is that it avoids some of the noise and air quality issues that can arise from having a series of speed humps in a residential area. The constant speeding up and slowing down of vehicles is well known to increase emissions and pollution and can be a real nuisance to nearby homes.

Other measures that will help to make the scheme a success are being considered in some villages such as flashing speed indicators that can be move between sites - but by far the most effective measure to ensure the success of these schemes is if every one of us respects the new limits from day one as we drive around in our communities and so begin to make a cultural change in our area to the benefit of all.

## ST TEATH SCHOOL REPORT

Lots to report on this month despite the Easter break. We've only been back for 10 days at the time of writing, but the children continue to be busy in and out of the classroom. We had the **RNLI visit** to talk to our two junior classes about beach safety. They were fantastic and also talked to our Year 1/2 children, linking with their current theme of Oceans. They explained their role and how they perform rescues and let the children explore their van.

Jack, our sports lead, has started our inter-cricket competition, involving all the year 5/6 children. This is one of the many **sports competitions** he hosts internally to provide extra opportunities for our children. It will be an especially busy term for sport with lots of competitive events planned. The school is very grateful to the White Hart for their donation which has enabled us to buy a **new football kit** for the children to wear. Thank you very much - this really is a fantastic community to be a part of.

The **Open the book** team continues to come into the school fortnightly, using drama to tell stories from the Bible. We really value this partnership which helps to bring the stories to life and make them memorable.

The final couple of days of last term saw the **Easter Egg Competition** take place. There were so many creative, unique, well thought out entries that judging was extremely hard. The children also took part in the egg rolling to see which hard-boiled egg rolled the furthest. It's fair to say there were a wider variety of rollers!

As I write, our eldest children in Year 6 are sitting their **SATS** - the first time these have happened since 2019. The Year 6s have been brilliant in their final year, contributing so much to school life and making exceptional progress with their learning. By Friday, they will have finished and we are taking them off for the day to Newquay for a day of activities and celebration. They then have a busy last term production, sports events, bikeability a school camp, art projects and other activities. We are proud that they will leave us as well-rounded individuals and we will do all we can to make their final few months memorable.

The Summer term is in full swing and we have been thoroughly enjoying the warmth and sunshine. We currently have 31 children on our books and have been continuing to work closely with our Transition to School group to help prepare them for all the exciting things they will be doing at school.

**Special thanks:** Special thanks go to Niki and Kate from Woodland Spirit Forest School, the sessions were a huge success and the children really enjoyed exploring nature, den building, finding bugs and all things outdoors!

We recently had our **Ofsted** visit which went very well and we are looking forward to sharing the result with everyone once it has been published, so a huge thank you is in order to all the amazing staff that work so hard every day to help provide the service we offer.

**Learning:** Last term the children enjoyed learning about space, life cycles, mini beasts, and spring down on the farm, with lots of gardening and watching our caterpillars grow into butterflies. This term we are going to be learning all about people who help us, sports, science, beach safety and the weather. We have lots of fun activities planned and are hoping to have a fire engine visit to learn about the Fire Service as some of the people who help us! We are also looking forward to celebrating the Queen's Jubilee with some afternoon tea parties and learning all about the Royal family.

**Dates for your Diary:** **Sunday 26<sup>th</sup> June 2022 Summer Fete** – We will be holding a summer fete in the park next to preschool with activities and various stalls. We will confirm more details nearer the time but if anyone is interested in booking a stall to sell items from then please contact Amy Warman on 07930 276 834.

**July** – We are hoping to hold a **Sports Day** for the children with lots of fun activities so will release more details once plans have been finalised.

We will let you know the next Bag2School collection date as soon as possible; you are welcome to drop any bags to the allocated shed.

If you would like more information about the Preschool, including child spaces, or would like to volunteer your services, please contact us on 01208 851548 or email [stteathpreschool@talktalk.net](mailto:stteathpreschool@talktalk.net)

### ST TEATH BUTCHER'S

We apologise for the incorrect number given in last month's *Timepiece* for ordering meat directly from BUTTONS MEATS. The correct number to ring is **01208 851116**.

We send our very Best Wishes to Kevin and hope he's taking it easy, having a well-earned rest and will soon be fighting fit again.

### ST TEATH COMMUNITY SPEED WATCH (CSW)

Between 9.30 – 10.30 am on Wednesday 20<sup>th</sup> April, out of 64 vehicles, 23 (36%) were speeding:

**1 x 52(!), 1 x 43, 1 x 42, 1 x 41, 2 x 40, 1 x 39, 3 x 38, 5 x 37, 1 x 36, 7 x 35mph.**

Between 9.30 – 10.30am on Thursday 21<sup>st</sup> April, out of 60 vehicles 20 (33%) were speeding:

**1 x 47, 3 x 44, 1 x 41, 1 x 39, 5 x 38, 2 x 37, 7 x 35mph.**

Between 2 – 3pm on Thursday 28<sup>th</sup> April, out of 58 vehicles, 18 (21% ) were speeding:

**1 x 42, 1 x 41, 3 x 40, 1 x 39, 1 x 38, 3 x 37, 5 x 36, 3 x 35mph.**

Between 10-11am on Thursday 5<sup>th</sup> May, out of 63 vehicles, 22(33%) were speeding;

**1 x 48, 1 x 46, 1 x 44, 1 x 42, 2 x 41, 1 x 40, 3 x 39, 1 x 38, 4 x 37, 3 x 36, 4 x 35mph**

**52mph** is the second highest speed we have ever recorded, (the fastest being 62 mph some time ago). We believe that you will agree with us that such speeds are horrendous, but all speeds over the current 30mph speed limit are dangerous. We would urge you, for the sake of all, to please watch your speed before some-one else is killed or very seriously injured.

**The St. Teath Speedwatch Team.**

### COMMUNITY CENTRE PRICE RISES

The cost of hiring the Centre is going to rise from **June 1st, 2022**. We are going to have to charge £15 per session to hire the downstairs room. (A session = a morning, an afternoon or an evening).

With rising costs, particularly electricity, we unfortunately have no choice. We do not seek to make a profit, but to run at a loss is not sustainable.

### SNOOKER at the Community Centre

The cost of the snooker tokens (obtainable from The White Hart) will also rise to £1 from **1st June**. The amount the snooker club pays for using the room, the main lighting and the heaters is also going to have to increase. The committee will be discussing and finalising this amount at their next committee meeting in June.

Thank you to the 139 people/households who sent in their responses. We now have a lot of data to analyse and help us make progress.

Once this analysis is completed it will be reported to the steering group. Following this will be a public meeting to receive the results, share ideas for the way forward and hear any comments from those attending the meeting. The date for this will be published in the next Timepiece.

### A METHODIST MINISTERS' VIEW

The early days of June will be unique for all of us as we celebrate as a nation the Platinum Jubilee of Queen Elizabeth II. Unique because it has not happened before and is not likely to happen for many years ahead – it is a once in a lifetime experience for everybody. This Jubilee is being marked with 4 days of special events, even those who are unable to share in local events will be able to share the televised ones.

Much has been written in preparation for the celebrations in books which are becoming available, and our newspapers will carry many column inches in the weeks to come. Most of what is written will, no doubt, remind us of how fortunate we are to have such a monarch as our Queen who is serving the Nation and Commonwealth well and has done so through the years.

Although being Queen is a privileged position, Queen Elizabeth has had to deal with family issues perhaps more so than many of us and this demonstrates for me her human touch. Dealing with family issues is difficult but with the pressures of the press and media the matters are even harder to cope with, but her wisdom and grace have ensured the Royal Family's life has continued. The Queen, on a number of occasions, has alluded to her Christian faith, from which she draws strength, and it informs the disposition that she has in life. I was impressed when she stated in a speech back in February that she has tried to bring to the role of being Queen the fact that she sees herself as being a 'servant of the people.' I wonder if she had in mind the words of the apostle Paul in saying that? In writing to the emerging Christian Church in Philippi – see Philippians 2 verses 5 -8 - he commends the servant attitude of Jesus with his humility and obedience. We have seen these characteristics in our Queen for which we should be grateful.

It is a long time ago that I saw the words *On Her Majesty's Service* on any communication, it has dropped out of use in many government departments. When it was in use it created a mutuality in the country and community, in that we served the purposes of the nation as the Queen served us. It becomes a bearing in life to be people serving the needs of others and seeing life from that perspective. Food for thought as we celebrate the Platinum Jubilee and give thanks for our Queen's Service.

### ST TEATH RUBBISH RAMBLERS

We meet informally every first and third Thursday of the month, 10 a.m. by the White Hart pub. June dates are 2nd and 16th. Coffee at Churchtown Café afterwards. We can always do with new helpers. All are welcome - dress visibly with gloves and bring a bin bag. Routes range from short and flat to the longer, hilly ones.

We hope readers have noticed the improvement to the tidiness of our village and lanes. Apart from the Rubbish Ramblers, several people are doing their own litter picks and deserve recognition. If all pedestrians and dog walkers could pick up a single item, that would help as well.

Contact Jonathan Sims on [profitpie@aol.com](mailto:profitpie@aol.com) for further details

## St Teath Garden and Allotment Association

At a time when the price of food, including fresh vegetables and fruit, is rising steeply, have you thought that you would like to “grow your own.” but do not have the space to create a vegetable garden? The answer could be to become an Allotment Holder.

Did you know that there are twenty plots of various sizes at our allotment gardens site on North Road? Plots become vacant regularly, and a waiting list is kept for persons wishing to take up a plot when available.

The St Teath Allotment Association welcomes enquires from anyone in the village who is interested in becoming an allotment holder. Please contact our current Secretary, Fiona May (Tel: 01208 851382; email: [jandfrmay@btinternet.com](mailto:jandfrmay@btinternet.com)) for more information.

## St Teath Village Show

It's coming up to that time of year again and in preparation for this years show we request that all Trophies be returned to David Jasper or the Show Secretary by June 30th.

And don't forget to make a note in your diaries/calendar of the following dates:

August 10th - Deadline for entries to the show

August 13th - Show Time!! Judging from 1030am. Open for public viewing from 2.30pm.

## PAUSE FOR THOUGHT

It has been another turbulent 12 months for our Queen. I suspect that few of us will forget the sight of her sitting masked, isolated and oh so alone at the funeral service for HRH Prince Philip at the height of the Covid pandemic. She has coped with this most personal of bereavements, family divisions and press intrusion and now at 96 she is clearly increasingly frail; after 70 years of unstinting service to the nation and the Commonwealth she is having to leave attendance at key events to other members of the Royal Family.

What has been the source of her remarkable strength over 70 years? In her foreword for a book celebrating her 90<sup>th</sup> birthday, her Majesty wrote,

*'In my first Christmas Broadcast in 1952, I asked the people of the Commonwealth and Empire to pray for me as I prepared to dedicate myself to their service at my Coronation. I have been – and remain- very grateful to you for your prayers and to God for His steadfast love. I have indeed seen his faithfulness.'*

And in her Christmas Broadcast in 2002 she summed-up the source of her strength like this...

*'I know just how much I rely on my faith to guide me through the good times and the bad. Each day is a new beginning. I know that the only way to live my life is to try to do what is right, to take the long view, to give of my best in all that the day brings, and to put my trust in God... I draw strength from the message of hope in the Christian gospel.'*

As we gather to celebrate this Platinum Jubilee in many different ways, let's also pause to give thanks for her Majesty and reflect on how we might draw strength to face tough times.

Perhaps you would like to join us in the Church for a short service of thanksgiving for 70 Royal Years as we launch our Flower festival on Friday 3<sup>rd</sup> June at 9.30am.

Enjoy the celebrations. God bless her Majesty!

**ANGELA COOPER (Rector)**

## LETTER TO THE EDITOR

Dear Editor,

I know that many readers of Timepiece, like me, enjoy exploring our beautiful local area on our network of paths. During the pandemic access to the countryside for our daily exercise was a salvation to many of us

In lockdown I looked at the local map and Cornwall Council's definitive rights of way map to try and vary my route. As I explored I became more and more concerned about the state of our paths. Within our immediate parish, there are over a third of paths that are not signed from the road – this is a legal responsibility of Cornwall Council. It is important as if you do not know the path is there, how can you follow it? There are 8 stiles that are either completely broken or are in such a dangerous condition that they are almost impassable. Some paths are blocked or completely overgrown. Waymarking is very poor and some paths are not waymarked at all. In places electric fences and barbed wire obstruct paths. A gate on one path is broken making it impossible to open. One path has had a farm building erected (many years ago) on the line of the path and no diversion created.

I reported these issues to Cornwall Council, both via our local councillor and the Countryside Access Team, and was disappointed with their response - that they had no money to deal with the issues. I also reported them to the Parish Council over a year ago but despite repeated promises, nothing has happened.

If your readers feel, as I do, that our paths are important, I would urge them to make their feelings known to Cornwall Council by emailing the countryside access team at [countryside@cornacltd.co.uk](mailto:countryside@cornacltd.co.uk), by contacting our local councillor Dominic Fairman [cllr.dominic.fairman@cornwall.gov.uk](mailto:cllr.dominic.fairman@cornwall.gov.uk) or contacting the parish council by emailing [clerk@steathparishcouncil.co.uk](mailto:clerk@steathparishcouncil.co.uk). If anyone is interested in finding out more about the local issues on footpaths, I have created a google earth project where they can be seen at the following link:

<https://earth.google.com/earth/d/13peJmz5WSyY1Z7-2xlXpoTB0GFMfYfaWH?usp=sharing>

Yours sincerely,
