## ST TEATH SCHOOL REPORT

Despite two weeks of the last month being a well-deserved break for students and staff, there has still been a lot going on at the school. The most exciting news is that we have qualified for the county final of the Broad Shield, so have a chance to show that we are the best football side in Cornwall for schools our size. This takes place in May. We took two sides to the mixed North Cornwall tournament, featuring 15 sides and again showed our class – St Teath Neons won the main tournament, called The Champions League, undefeated without conceding a goal in 7 games. Our St Teath Greens then made it a double by winning the 2<sup>nd</sup> tournament, the Europa League. Another stupendous achievement for our talented, hardworking footballers.

Away from sport, Easter celebrations were another highlight. The standard of eggs decorated by the children was amazing, (see photos opposite) to the point where I dreaded being one of the judges because they were all so innovative and impressive. Following this, we had the egg-rolling competition. The winning eggs nearly made the main road from the top of the playground, which was remarkable.

In the classroom, Sycamore Class's learning has focused predominantly on Roald Dahl this term and has produced some outstanding work. Seeing the children perform their own versions of 'Revolting Rhymes' remains a personal highlight and it was lovely to see the children share their pop-up books with Elm Class during the 'book buddies' sessions.

Oak Class designed & made their own salads with admirable results.

We can tell that summer is getting closer when the school starts to put together its end of year production (*Oliver* is Mr Howard's choice this year), considers who is to run the Teathletics and makes final plans to take Oak Class to London. It should be a fantastic term and I look forward to sharing it with you through these pages.

Best wishes to everyone from all of us at the school.

**Dan Kay, HeadTeacher**

## FROM OUR COUNTY COUNCILLOR

Firstly, I would like to thank all the people who responded to the Council consultation on the Devolution Deal and the prospect of replacing the Council leadership with a directly elected Mayor.

Many residents contacted me after my February update and were prompted to let the council know their views. With 69% of respondents against the idea it was refreshing to see this taken notice of – especially as the consultation questions were weighted so heavily towards making the change. By the time you read this we will have had our April Full Council meeting at which I will be supporting a cross party motion to this effect:

**We, the undersigned, are therefore disappointed at the content of the “devolution deal,” which principally represents accommodations between central government and Cornwall’s unitary authority, rather than a meaningful devolution settlement as achieved in Wales and Scotland.**

**Cornwall Council resolves to inform the UK Government that we wish to commence negotiations for a more meaningful devolution settlement similar to those enjoyed in the other Celtic parts of the UK.**

**Cornwall Council also resolves to request a meeting between the Secretary of State and a cross-party delegation from Cornwall Council as a matter of urgency.**

Secondly, the Council has launched the third round of the Community Infrastructure Levy funding, enabling community groups, town and parish councils and not for profit organisations to bid for between £20,000 and £100,000.

With a high level of interest in last year’s fund, this CIL fund round will once again support local infrastructure projects which focus on supporting children and young people and help to either alleviate the impact of development on an area or help development to come forward.

Groups interested in applying for the funding should submit an expression of interest with a brief summary of the aims and objectives of their project. This will ensure that applicants only spend time and effort in working up a full application for eligible and appropriate projects.

The initial Expression of Interest stage will run until **Thursday 22 June**, after which eligible projects will be invited to submit a full application. Applications must then be submitted by the end of October, with the successful projects expected to be announced in early 2024.

## ST TEATH PARISH COUNCIL LAUNCHES COMMUNITY SPARKS FUND

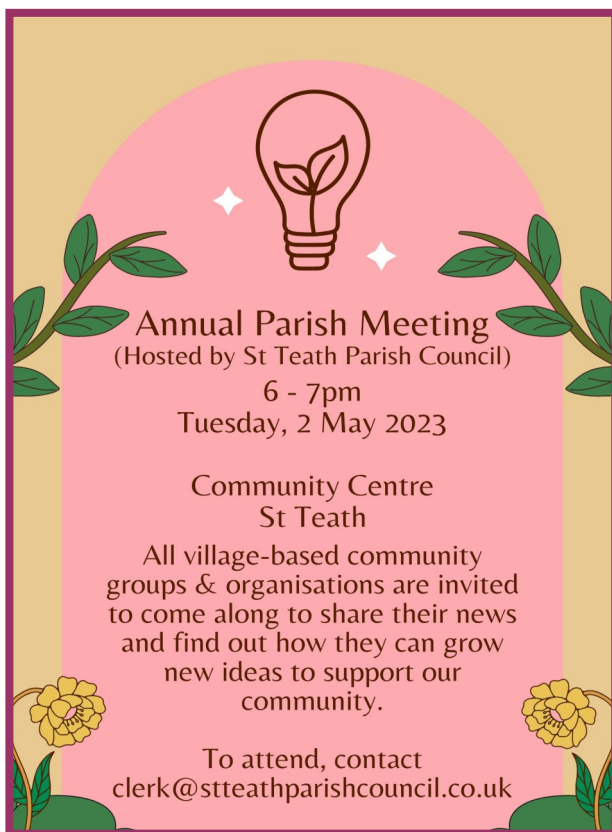

St Teath Parish Council is launching a new Community Sparks Fund in its 2023-24 Budget to provide funding support for local groups and organisations within the village to grow new ideas.

All community groups and organisations are therefore invited to come along to the Annual Parish Meeting on **Tuesday, 2 May 2023** to share what they've been up to this year and then explain what their plans are for the next 12 months ready to submit a funding request later this year.

The new Community Sparks Fund will be administered by St Teath Parish Council and there will be a chance to submit ideas for funding in September every year. The Parish Council will then use the new Fund to award small grants to enable groups and individuals to kick start and grow their new projects or initiatives. The Council will be particularly interested in helping to fund ideas that have a positive impact on the village and allow people to feel a greater sense of belonging and involvement in the community.

The deadline for submitting ideas for the 2023- 2024 Sparks Fund will be **30 September 2023**.

For more information on the new Community Sparks Fund or to submit your idea, please contact [clerk@stteathparishcouncil.co.uk](mailto:clerk@stteathparishcouncil.co.uk).

## A VILLAGE CALENDAR

Have you ever been organising some village event and wondered if it clashed with somebody else's? Apparently there used to be a village calendar to which people added their events and this was consulted to check for date clashes. I would be happy to resurrect this by keeping an online diary (of course it means people would have to let me know what and when they were planning to organise an event). I could share or check it when anyone needed to see if a date was free. If you think this is a good idea and have an event you want included -

## WILL, WINNER OF THREE MORE TROPHIES AT CRUFTS 2023 !

Those readers who have been following the progress of **WILL BACCHUS**, son of Lee, St Teath School's former Head Teacher, will be thrilled to learn that Will gained three more championship titles at CRUFTS this year. In front of a crowd of over 7,000 spectators, Will and his cocker spaniel, Rudi (a rescue dog), started in fine form by winning the **Junior Agility Dog of the Year**. This triumph was followed by Will and his partner, Mariann winning the Under-18s Pairs event. Their performance then gained them the top place as Overall Winners in the Pairs event for *all* ages and *all* size dogs, a tremendous achievement.

Will was a member of the British team who won the **Junior World Championships** in Finland last year and the four of them were treated to a moving victory parade at CRUFTS this year, before being presented with their gold medals. Will has been selected for the team again this year and we congratulate him and wish him every success. We shall follow his exploits with great interest. Photos and videos of Will and Rudi in action, including the victory parade, can be viewed on the website

### A METHODIST MINISTER'S VIEW

In late March I glanced over a newspaper article that referred to the number of Bank Holiday weekends which we would be experiencing in April and May. The writer was arguing that such holiday weekends would be better spread out across the year and made no mention of the derivation of these opportunities.

Three Bank Holiday weekends occur this year in May, two of which will have significant celebratory opportunity associated with them. May 1<sup>st</sup> was added to our Bank Holidays some years ago as a chance for workers to celebrate. In addition this year we have 8<sup>th</sup> May as a Bank Holiday in celebration of the King Charles Coronation which is on Saturday 6<sup>th</sup> May, with an Open-Air Concert the following day and the Monday intended for local festivities to mark the occasion.

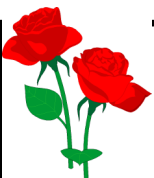

Only if you are over 70 years of age will you remember anything of the Coronation of our late Queen in 1953. I recall attending a service at our local church on the morning of the Coronation Day, a Sports Event in the afternoon and a children's tea at our local school to conclude it. The images of the spectacular event were shared nationwide through local cinemas in the weeks that followed by schools and families. The Regal Cinema in Delabole had a very busy period then.

As you share in the Coronation events this year, I wonder what you will think is the most important part. For all of us, hopefully, we will see the Coronation Service in Westminster Abbey as the most important aspect when the King makes promises to serve, and as a nation we pray for him as we share through the medium of our televisions. All the other aspects of the weekend flow from the God-focused dimension at Westminster Abbey. It challenges our thinking.

The final weekend in May is now known as the Late Spring Bank Holiday, but this year it coincides with the Pentecost Weekend or Whitsuntide as we sometimes call it. Pentecost or Whitsuntide was the original reason for the Bank Holiday and it changed dates according to the church calendar. However, this year we can celebrate God's gift to us of his Holy Spirit, through which all of us can be enabled and inspired as were the first Christian followers nearly 2,000 years ago. The Book of the Acts of the Apostles, or Acts as we know it, tells the story of the power of the Holy Spirit working through ordinary people who opened their lives to God's influence and power. A power which is still available to us, read the book of Acts to find out more.

Every Blessing in your Celebrations.

### ST TEATH CHURCH FLOWER FESTIVAL

There will be a Flower Festival again this year from

**28th July to 30th July**

The theme will be **NEW BEGINNINGS** which has been chosen because of the many changes which have taken place in the village during the last year.

If you would like to do a display, please contact Yvonne on 01208 850497, so that displays can be listed and locations arranged. Displays will be very welcome from previous exhibitors and from new organisations or individuals who have not exhibited before.

I would like to know as soon as possible so that I know how many displays to plan for. Thank you!

## ‘Why do you just stand there, looking up?’

For forty days, since he rose from the dead, Jesus met with a great many people. Sharing meals, he talked, listened, taught about God. Then one day he went to the Mount of Olives with his closest friends, promised to be with them forever, sent them out to work in his name and rose up into a cloud. As they stood there, open-mouthed, a couple of angels appeared and told them to stop looking up, but to get on with Jesus’ work, as he had said. [He kept his promise to be with them, by sending his Holy Spirit a few days later - but that’s another story].

**Ascension Day**, is marked in the Church as a major festival; previously children were given a day off school to go to church. [Sorry, can’t ask for that this year as the service will be **7pm at St Teath, 18<sup>th</sup> May** - you are still most welcome to come along after school!]

It’s a day of mixed feelings; but when he walked in the world, Jesus could only be in one place at one time, wherever his sandals touched the earth. After his ascension, sending the Spirit and through the work of his followers, he could be in all places, at all times, forever.

Like those first disciples, we are called to stop looking up or about, but to roll up our sleeves and do what we can for others, our loved ones, friends, neighbours, for our community; we can all do something for others, and although Jesus isn’t here in person, his love keeps shining through this activity. Many people do work and share with each other in so many areas of our communities; it is what makes them such special places in which to live.

St Teresa of Avila, a C16 Spanish nun and religious reformer, puts it far better than I ... ***“Christ has no body now but yours. No hands, no feet on earth but yours. Yours are the eyes through which he looks with compassion on this world. Yours are the feet with which he walks to do good. Yours are the hands through which he blesses all the world. Yours are the hands, yours are the feet, yours are the eyes, you are his body. Christ has no body now on earth but yours.”***

## TIMEPECE NEEDS YOU

*Timepiece* is free to all households in and around St Teath and is primarily funded by revenue from advertisements. Over the years the number of advertisers has slowly decreased so that our current advertising revenue is considerably less than the cost of printing, as the Financial Statement (opposite) for the past year shows. Should this continue *Timepiece* will eventually run out of cash and cease to function.

To ensure the future of *Timepiece* therefore, we need to raise money. To charge householders for *Timepiece* would be against our principle of being a free community service. To increase the cost of advertising would be insensitive to the advertisers who themselves are facing rising costs. The answer therefore would seem to be the oft-used method of seeking donations.

Whatever you feel able to contribute will be enormously useful and greatly appreciated. Any form of legal tender is acceptable. By far the easiest way to pay is by bank transfer to:

**St Teath Timepiece: Barclays Bank 20-87-94, 63318850.**

Cheques (payable to St Teath Timepiece) or cash to our Treasurer:

Eddie Jones, 46 Valley View, St Teath: 07890 633702.

Together we can do this. Thank you very much.

On 6<sup>th</sup> April, between 10.30am and 11.30am, 12 out of 60 passing vehicles were being driven at :

**1 x 43mph, 1 x 42mph, 1 x 39mph, 2 x 38mph, 1 x 36mph, 6 x 35mph:**

On 13<sup>th</sup> April, **between 2.30pm and 3.30pm**, out of 54 passing vehicles, 16 were being driven at the following speeds : **1 x 47mph, 1 x 42mph; 1x 41mph; 1 x 40mph; 2 x 39mph; 1 x 38mph; 1 x 37mph; 3 x 36mph; 5 x 35mph.**

The above vehicle driven at 47mph was a young person on a motor cycle! We hope that when he receives a letter from the police regarding his speed he will reflect on it, follow the advice given in it and drive more safely in future. He should also bear in mind that records show that fatalities and serious injuries are 30 times more likely for a motor cyclist than a car driver.

It should also be noted that a number of these speeds were recorded at the time the children were leaving school.

**PLEASE REMEMBER THAT THERE IS NOW A 20mph SPEED RESTRICTION THOUGHOUT THE VILLAGE.**
