NOVEMBER 2021

ISSUE 330

Remember these? These stunning displays adorned the Square and Pixi Cott (thank you, Richard!) and brightened a dreary Christmas last year. Will they be even better this Christmas?

PARISH COUNCIL REPORT

Your Parish Councillors are:- Tracey Kingdon (Chairman), Will Kitto (Vice Chairman), Tanya Banks, Darren French, Kerri Kitto, Bob Fox and Nev Turner.
Cllr Dominic Fairman is the Cornwall Council ward member.

Meetings are held on the 1st Tuesday of the month at 7.00pm in the Church Hall. This has more space for social distancing but we may well return to the Community Centre in 2022.

Neighbourhood Plan – The Neighbourhood Plan is being led by Cllrs Bob Fox and Kerri Kitto and thanks to everyone who attended the first public meeting in September. Bob will be giving regular updates on this project. Please get in touch if you are interested in joining the group, you do not have to be a councillor.

Village Green- The council are looking at options for a new item of play equipment for the Green. The swing seats and chains have been removed for safety reasons and will be repaired. Hopefully all work will be completed very soon.

Bus Shelter – Costs are being obtained to repair the damage on the corner of the bus shelter roof and we are working with Cormac to get a bollard installed to keep vehicles away and protect the structure from any further damage. A new bench will also be installed inside the bus shelter.

Footpaths and Public Rights of Way – There are several footpaths in the parish and many are regularly used. If you have any concerns about public rights of way, please let us know.

Bench at Newhall Green – A new replacement bench has been ordered for Newhall Green and should be delivered within the next few weeks.

Next Meeting. The date of the next meeting is Tuesday, 2nd November 2021 at 7.00pm. Members of the public are always welcome to attend and can address councillors in the public session at the start of the meeting, or just sit and listen to the proceedings.

Parish Council contact - Please have a look at our website:- www.stteathparishcouncil.gov.uk where you can send a message or you can contact us by email clerk@stteathparishcouncil.co.uk or phone on 07810 234417.

Please note this report is a brief update on Parish Council matters and further details including the meetings agendas and minutes can be found on the website.

Take care and stay safe!

Clerk to St Teath Parish Council

PARAPROSDOKIANS

These are figures of speech in which the latter part of a sentence is unexpected. Winston Churchill loved them. Scattered throughout this issue of *Timepiece* you will find some of what we consider to be the best examples. *(With thanks to Lynne Beavis for many of these)*

Change is inevitable, except from a vending machine or a parking meter.

War does not determine who is right - only who is left.

I am not arguing with you, I am explaining why you are wrong.

Where there's a will, I want to be in it.

Going to church doesn't make you a Christian any more than standing in your garage makes you a car.

Giving up smoking is the easiest thing in the world. I know because I've done it thousands of times.

Since light travels faster than sound, some people appear bright until you hear them speak.

If I agreed with you, we'd both be wrong.

Knowledge is knowing a tomato is a fruit. Wisdom is not putting it in a fruit salad.

They begin the evening news with 'Good Evening,' then proceed to tell you why it isn't.

EDITORIAL

Are you in the Christmas spirit yet? No? I know how you feel. Just as one problem - the dreaded Covid – eases, another appears.

As I write this, the news bulletins are obsessed with price rises, shortages and gloomy predictions for economic woes during the winter. But forget all that for a while. St. Teath is celebrating the festive season in style and as usual it will be launched by the '**Switching On of The Christmas Lights**'. Just think back to last year. Boris may have rivalled Oliver Cromwell with his 'Christmas is Cancelled' message, but the brilliant lights people (excuse the pun) still made sure the village was lit up with excitement (Sorry).

The work starts after the service on Remembrance Sunday, November 14th, when the volunteers start to put up the lights, finishing the following weekend. Would you like to help? You would be very welcome. Just turn up in the Square to do your bit.

The Big Day is **Saturday, November 27th**. The **Most Magical Christmas Trail** was incredibly popular last year and it is running again this year, starting at 4pm - pick up a trail map in the Square (you can buy draw tickets at the same time). That should give you enough time to follow the trail, buy some seasonal food and call on Santa in his grotto before the **Grand Switch-on at 6pm**.

The trail entry forms are in this *Timepiece* and they should be returned to the shop or cafe by Monday, November 22nd. As Kerri says: "We need everybody's help to make St. Teath sparkle". Displays must be ready for the trail on November 27th. Want to know more? Check out posters or see Facebook or Instagram.

Try your luck in the **Christmas Draw** - a brown envelope for this is also included with your *Timepiece*. You receive a ticket for every £1 you donate but please feel free to give as much as you can manage.. Return the envelopes to the shop or cafe by Friday, December 17th. Cash prizes will be delivered to the lucky winners during the following week.

A new event this year - an afternoon tea during December. Look out for posters.

Now, be honest, don't you feel a little more Christmassy now?

And finally - a personal message from me to all the lights team. They put in such a huge amount of planning and work to make this event a success and to light up the village throughout the Christmas season. It isn't just a case of flipping a switch and miraculously all those lights appear. And don't forget all the lights have to be taken down again on a bleak January weekend when the volunteers probably have far better things to do. A very sincere **Thank You** to all of them.

Closing Date: November 10th

We are back after the half term holiday and ready for what this new half term brings! We hope all our families enjoyed their break. Thanks to those of you who participated in our Halloween Fundraiser- we will update you with the total amount raised once we've counted it all up, it was lovely to be able to provide some much-needed Autumn fun for the community

Special thanks:

Thank you to everyone who donated to our Bag2School fundraiser, it was another huge success- we will update you on the amount received soon!

Thanks to Andrew Warman for giving up his time to put together one of our new sheds for us it's much appreciated!

Thanks to Sue Wilcox for restarting the much-anticipated visits from Annie and Spike, the puppets - the children have loved seeing them again and it has been wonderful to welcome some visitors back into the setting.

Learning:

This half term we will be continuing with Autumn themed activities and starting our winter wonderland topic. The children will be learning about special events such as Bonfire Night, Remembrance Day, Diwali, Christmas and winter, including a very exciting Christmas Jumper Day to raise funds for Save the Children, and participating in Children in Need activities.

Parent Partnership:

Our fabulous parents have been embracing some home learning activities set by the Preschool! They have donated to our Harvest Festival - collecting goods for some great causes! They have also been on some wonderful Autumn walks with their children to collect treasures for us to explore in the setting! They have also been sending in photos of their families for some great discussions, and the children have been making their very own postcards to send home to their parents- they even posted them in the village post box themselves.

Fundraising:

Our annual **Christmas Fayre** will be going ahead this year on **Saturday 20th November** from 10.30am-12.30pm at the Church Hall - Be sure you get yourself down there for some festive fun!

EasyFundraising- You can help to raise funds for the preschool at no extra cost to yourself simply by downloading the EasyFundraising app and selecting St Teath Pre School as your cause. Whilst doing your online retail shopping, simply access the sites via the app and a percentage of any sales are donated by the retailer to the preschool! This includes M&S, Argos, Amazon, John Lewis, Sports Direct and many more! A huge thank you to those of you already in support of this.

If you would like more information about the Preschool, including child spaces, or would like to volunteer your services, please contact us on 01208 851548 or email stteathpreschool@talktalk.net

ST TEATH SCHOOL REPORT

First of all, I would like to thank those from the school and within the community who have made me so welcome in my first few weeks in post; I am loving working alongside such fantastic children and staff.

It has been lovely to welcome so many smiling and enthusiastic children back into school life. This year we are not restricted by 'bubbles' so the children are able to mix during break and lunchtimes- this is so important where older and younger children enjoy mixing and supporting each other. The first few weeks have been very much about getting back into routines safely, aware that Covid rates are high in Cornwall.

As this has been managed effectively so far, we are now returning to normality. Clubs have re-started and we are now welcoming volunteers into school to support our students. If there are any volunteers in the community who would like to come and help with readers or activities, we would love to have you in - please contact the office.

As we move forward, we are excited to be making plans for a Halloween Disco, a visit from the circus, a whole school trip to the pantomime and open afternoons to welcome our parents back into our school - on top of lots of festive plans.

Stay safe and thanks for your support,

MR KAY

NEIGHBOURHOOD DEVELOPMENT PLAN

Thank you to everybody who submitted their completed Questionnaires. There were many ideas and opinions which will help us focus on our future work of obtaining much more detailed information and opinion from individuals, community groups, business owners and other stakeholders. This work will be carried out by a team of people who have generously offered their help. If there is anyone else out there in the neighbourhood area who thinks that they too are able to help in any way please come along to our first meeting on the

18th November at 7.00pm in the Community Centre.

Should you want to find out any more details about this meeting or the NDP please phone Bob Fox on 01208 850401.

ST TEATH ART GROUP

Anyone who is interested in any kind of drawing or painting is very welcome to join the group.

We meet every Wednesday at 2.00pm in the Community Centre. You don't have to be an expert. We are pleased to welcome anybody who is willing to have a go. It's a very social group and its members all help and advise each other.

We pay £2 a week towards rent and you have to provide your own equipment. But we do have equipment which helps people to get started.

Advance warning. We will be having an exhibition of our work during the afternoon of Wednesday **15th of December.** More information will be in the next *Timepiece*.

PAUSE FOR THOUGHT

Remember, remember the 5th of November... I have been remembering lately... I have always loved Bonfire night! The best ones took place on a piece of waste ground at the end of our road – just rubble and weeds but an adventure playground for us children. In the middle was a huge up-ended tree-stump and for a few years my friend and I (bossy little things that we were) organised a community bonfire around it – it was so solid it never burned away. We begged wood up and down the street and on the night each family brought a contribution: sausages, jacket potatoes, parkin (this was Yorkshire so no pasties), bonfire toffee and hot chocolate. The dads pooled the fireworks and set them off and we all had a great time together.

We have learned to truly value our communities during the pandemic: how we have missed our community get-togethers in the past couple of years! It's great to see things gradually reviving. In the church we are planning for **Remembrance Sunday on 14th November** and we're so looking forward to celebrating Christmas together this year – a little differently maybe, with some risks still around, we may not be able to accommodate some of our bigger services, but most will go ahead in some way – more details next month. We hope you will join us to remember and celebrate.

A METHODIST MINISTER'S VIEW

Many of you, like me, will have watched the television coverage of the Chelsea Flower Show at the end of September. The timing of the event was a 'first' for the Royal Horticultural Society in holding an autumn show because of the Covid pandemic – in this sense it was 'unique'.

The Show for me was also 'unique' in that The Bible Society sponsored one of the Show Gardens and received a Gold Medal for it. The garden was based on Psalm 23, which is probably of the best known of all the Psalms and begins with the words *The Lord is my Shepherd*. Probably the most popular version of the Psalm is the hymn version which for over 70 years we have sung to the tune *Crimond*, after the Queen and the Duke of Edinburgh used it at their wedding in 1947. The words of the hymn version date from 1650.

The Bible Society, formerly known as the British and Foreign Bible Society has a history going back into the 1800's. The aims of the Society have always been to make the Bible and its teaching accessible and available. Many people will relate to the Society's work in translating the scriptures into other languages – a work which is on-going even at this time.

The purpose of sponsoring the Show Garden was to remind people, both the visitors to the show and worldwide television audiences, of the relevance of the Bible – God's inspired word for everyday living. On this occasion they used words which are at least 3,000 years old attributed to David, a Bethlehem shepherd who became a King in the Old Testament days.

The Garden Designer, Sarah Eberle, was inspired by the words for her Show Garden. She is an experienced garden designer who spent some time in her childhood living on Dartmoor, which was the source of inspiration for her Garden, having reflected on the words of the Psalm. The garden was designed to depict *Life as a Journey* which we all undertake. The planting in the garden was made to represent God's generous provision for us – the *green pastures* of the Psalm. The path in the garden led people beside *still waters* which emanated from a waterfall feature. The rocks around the waterfall area served as a reminder of both the everlasting, enduring power of God and the 'difficult areas of life' which we all encounter in its *dark valleys* and pass through. Sarah Eberle is quoted as saying that she hoped the garden would offer visitors solace, tranquillity and hope as they reflected on the words of the Psalm.

A book about the Show Garden project was published in October entitled Sarah Eberle's Psalm 23 Garden, with pictures of the garden. It contains some gardening advice from Sarah, as well as meditations on the Psalm and stories of people who have been impacted by it. It contains 52 pages and is priced at £6.50 – an affordable gift idea for the coming season perhaps.

It is quite marvellous that words written so long ago still inspire and have an impact upon people today, providing food for thought for all of us. Every blessing in your pondering and reflecting on the 'Pathway of Life'.

BOOK FESTIVAL**

St Endellion
23rd - 26th September 2021
www.ncornbookfest.org

To all who attended the North Cornwall Book Festival between 23rd and 26th September 2021, **MANY THANKS!**
It was a fantastic event with many famous, or not so well known, but just as interesting, authors, discussing a number of fascinating topics of both fact and fiction: South Africa, ghosts, sailing, gardening, graphic illustration, fishing, families and relationships.

Also, there were two wonderful musical evening events held in our trademark beautiful marquee; workshops including graphology and pop up books; exhibitions of painted images of authors and black and white portrait photographs; wonderful food served in our café and a retail market including flowers, plants, honey, gin and wine, local crafts, a bookshop and a charity.

Please continue to support Endelienta and the events that are held at St Endellion and we look forward to welcoming you again in 2022.

CONDOLENCES

The Timepiece team send their condolences to the daughter, family and friends of LIZ MISKIN who died Friday 15th October. Liz was an active member of St Teath church community and will be greatly missed.

THANKS

What a stunning show the wonderful villagers of St. Teath put together again! I was honoured to be invited to be this year's President and wish to thank KEVIN, SUE and the committee for all their hard work in co ordinating the efforts of all who helped in setting up the staging Friday morning, running the competition Saturday morning and tidying up at the end of the show. A big THANK YOU to you all. **DAVID JASPER**

LORRAINE says Thank you to all villagers and friends who have donated and bought plants and produce from the stall outside Bruallen bungalow. The proceeds will be shared between St. Teath Church and the Merlin M.S. Centre.

The World's Biggest Coffee Morning was back, but would people, still wary of Covid, turn up to support Macmillan? The answer was Yes! In fact St. Teath was so generous that the event raised **£689.00**, the highest amount that organiser Eileen Treby has raised since she took over running the cancer charity coffee morning from the late Peggy Crosley. **EILEEN** would like to thank all her friends who helped on the day, the customers who made the event so worthwhile and the generous people who gave donations. All charities are struggling after the devastation of the pandemic which makes the village's generosity especially gratifying.

Lorraine has some **MERLIN M.S.Centre Christmas cards** for sale
at £3.50p. for a pack of 10.

The General Vestry Held October 6th 1834

Another snippet from items discovered in the great 'Lockdown Tidy in church!' In 1834, the St Teath Vestry, amongst its many other duties, was responsible for friends and neighbours in need. The phrase "thrown on the Parish" described those who were no longer able to provide for themselves or their families, either through sickness or extremely poor wages and income. It was the local Parish Vestry, composed of representatives from both church and village, who dispensed 'charity' from funds raised through a local tax. The following extract comes from the St Teath Vestry records and gives an insight not only into the hardships of life in the early 19th century, but the support which was provided by their local community.

A clear conscience is the sign of a bad memory.
