EDITORIAL

ISSUE 311

Fires have been raging in Australia since September. Twenty nine people have died, many more are missing. Hundreds of people have lost their homes and one expert estimates that one billion animals have died. One billion.... and this is still only the start of the hot summer. We have all seen photographs of the devastation but, on the opposite side of the world, how can we help?

This is where social media comes into its own with *Go fund me* and *Facebook* pages organising fund raising for voluntary firefighters, for animal rescue, for food for the displaced, for tree planting to replace the habitat which has been devastated. Perhaps you are not on *Facebook* (like me) or you don't have access to the online appeals, but now you can help too, thanks to Not The W.I.. otherwise known as the *Joybirds*.

In case you haven't heard, our WI branch members decided at the end of last year to go it alone, no longer paying out large amounts to a national federation with little benefit to themselves. They are not on their own. Many others have had similar complaints. Just read the stories in the national newspapers about branches being forced to close after over 100 years and members rebelling against national demands.

The former WI have now reformed as the *St Teath Joybirds* (see the report in Timepiece). A new name and a new constitution but with the chance to spend their money as they want. Good for you, girls!

However, they are as determined as ever to help the community and raise money for those who desperately need help.

The first fund raiser is a **Bacon Butty and Hot Dog morning** in the community centre on Saturday, February 15th. All the proceeds will go to the Australian fire fighters (many of them volunteers who are risking their lives to do this work) and the country's animal charities.

Can there be a more worthy cause at the start of 2020?

ST TEATH PANTO

Rehearsals have started for *Sleeping Beauty* which will take to the stage on **Friday 21st February at 7.30 and Saturday 22nd at 2.30 and 7.30**. Because of the need to extend the stage slightly, the seats available will be a little fewer this year. So, book your seats early by contacting **Anne Perisic 850522 or Lorraine Jasper 850650**.

The cost of tickets is £6 for adults and £3 for children aged 10 and under.

As usual we can guarantee lots of laughs (some intentional, some not!) in an evening of fun. Can we beat last years commended performance? You'll have to come along to find out!!!

FROM OUR COUNTY COUNCILLOR

There has been much uncertainty in both St Teath and Delabole during 2019 around potential new housing developments which have had public consultations but have yet to seek formal planning permissions.

One of the reasons that developers are attracted to the parish is that the Cornwall Council Homechoice housing register of local housing need is only kept for the whole parish and not the individual villages. This joint figure can then be used to justify new affordable led housing developments that are perhaps larger than either village requires.

This issue will of course be resolved in May 2021 when Delabole will become a parish in its own right and at that point the Homechoice list will be required to reflect each village separately.

Meanwhile, I am pleased to report that the Parish Council have agreed to commission a detailed Housing Needs Survey from Cornwall Council which will provide a much greater level of detail for each village and will help ensure that we only build the right number of houses in the right places for genuine local need.

All residents in the parish will receive a letter explaining the process and details of how to access the online survey, and I would urge everyone to complete this for themselves or any family members who require affordable housing, and also to specify in which village the need is for.

This will be vital information to inform potential developments and ensure that we do not build new affordable houses where there is no local need. It will also be a strong first step towards developing Neighbourhood Plans for both villages so that local people can have the maximum influence on the siting of any new developments in the future.

Paper copies are available for people unable to access the internet and please let me know by phone or text if you are having difficulties. The consultation will run until the 8th March which should give all residents plenty of time to respond.

The lack of suitable and affordable housing for young families is one of the key issues that comes to me on a regular basis and I hope you will be able to support the Parish Council in getting this crucial and detailed information for the parish so that we can all make better informed decisions about housing for the future generations.

ST TEATH ART GROUP

We have resumed our painting after the break and new members are very welcome. Those who have been in the group since the start have made amazing progress from beginner to competent artist, so please don't let the fact that you have never painted put you off. It is an enjoyable two hours plus, when we just do our own thing including trying new techniques, colours etc. It is a non-judgemental group with enjoyment of art being our top priority.

During the coming months we will be getting established artists to come and teach us or improve our techniques, going out as a group to paint and sketch in a variety of locations plus assembling and preparing our work ready for the village Arts Week in July.

We meet every Thursday at 2pm in the Community Centre; cost £2 per week.

ST TEATH PARISH COUNCIL

3

Councillors: **Delabole** -Gerald Heard, Pete Homans, Chris Keat, John Richards, Lance Rose, Andrew Stacey, Nev Turner (one vacancy).

St Teath - Roger Lyle (Chair), Tracey Kingdon (Vice Chair), Darren French, Will Kitto.

Information and contact details for the Parish Council can be found on the website

www.stteathparishcouncil.gov.uk or contact me, Jenny Hoskin (Clerk) on 01208 72789.

Parish Council Vacancy - The Parish Council currently have a vacancy for the Delabole Ward after the resignation of Cllr Garry Ellis. We thank Garry for his work with the Council and send him and his family best wishes for the future. The vacancy has been advertised by Cornwall Council and by the time this is published we will know if an election has been called or whether or not the Council have been instructed to fill the vacancy by co-option.

If the Parish Council are to carry out the co-option process, application letters or emails should be sent direct to me. The co-option process will take place at the March meeting. For further information please look at the notice board and website or contact me directly.

Housing Need Survey - The Parish Council have commissioned Cornwall Council to carry out a Housing Need Survey for the parish. The questions are specific to help us establish whether or not there is a need for future developments and, if so, how they should be managed and what they should provide in terms of affordability for rent or purchase. Cornwall Council will be writing to all households within the next few weeks, so please take time to complete this questionnaire. The results of the survey can be used to feed information into a Neighbourhood Plan and help to establish what is required for the future and justify the objections to any plans that are not suitable.

St Teath Village Green & Play Area - The Council have recognised that the play equipment on The Green should now be replaced. Our Open Spaces Committee will look at various options so any suggestions would be welcomed. A new rubbish bin is being purchased for the new play area. Please use the bins and help to keep the parks tidy.

Parking and Speeding - We receive many complaints about parking in our villages. We understand that traffic has increased and many households now have more than one vehicle. Whether you live in the villages or visit family, friends, the churches or the schools, please be aware where you park your car. Do not obstruct junctions, visibility for other road users or block resident's driveways; even if you are just parked for a few minutes.

The Parish Council pay for a traffic warden to visit Delabole each week, on different days and times and they have issued some fines. The Parish Council do not wish to target drivers but to try and keep our public safe. Please remember when driving that a child could always walk out between parked cars so your visibility will be limited.

Another matter of concern is the speed of vehicles, and often it is residents who can be the worst offenders, becoming complacent with the local road network. The large agricultural tractors have in the past caused some problems. The owners were contacted, so please let me know if any further incidents happen.

Future Meetings - Tues, 4th Feb at St Teath; Tues, 3rd March at Delabole. Meetings start at 7pm and members of the public are welcome to attend.

By the time of my next report I should have information on the Governance Review, so I will keep you posted.

JENNY HOSKIN Clerk to St Teath Parish Council

TREVEIGHAN METHODIST CHURCH

At the United Parish Carol service in Michaelstow, and also on Christmas Eve, it was decided to donate the collection to Cornwall Blood Bikes.

This is a charity which ferries blood and other medical necessities all over the country by a small group of dedicated volunteers. The charity receives no funding other than that which is given by members of the public. We were able to send a donation of £110.

Mary Watkinson

So it is goodbye W.I. and hello 'Joybirds'!

Way back on 27th November 2019, the women who belonged to St Teath W.I. called a Special Meeting where they decided they had had enough of the financial controls, rules and regulations, politics, yearly resolutions and endless stream of paperwork that being members of the W.I. generates nowadays. Their decisions were certainly made easier when they enquired about what happened to just over half of their subs each year - which are paid over to the County and to the National Federation of the W.I. The answer seems to be that nearly all of it is being spent running the Federation itself: organising expensive courses and meetings, mostly too far away for our members to participate in and costing anyone wishing to attend even more. An historic vote was taken and a massive majority decided to become independent and to form our own group.

Consequently, on 8th January 2020, an enthusiastic inaugural meeting of a new women's group was held in the Community Centre. Over thirty attended and there were apologies from four more. A vote was taken on the group's new title and the winning name was 'ST. TEATH JOYBIRDS'. (This had been suggested by Sylvia Newton - probably the longest serving member of St. Teath W.I. She told us that this was the name of the Concert Party that was formed in St Teath in about 1944. The Concert Party, called the 'Joybirds' was formed by Kitty Parsons and the Rev. Bray. Sylvia joined them at about the age of 17 and took part entertaining people in our village, Tintagel, Camelford, Davidstow, St. Breward and other local communities, with singing, dancing, playing guitars etc. It seemed very appropriate to resurrect the name.)

A simple constitution was agreed and the committee that had overseen last year's W.I. was re-elected en-bloc to organise the formation of the new group. The 'JOYBIRDS' will meet on the second Wednesday of the month in the Community Centre at 7.30pm and enjoy speakers on a wide variety of subjects, quizzes, crafts and entertainment. All this for half the price of the present annual W.I. subscription! Trips are also in the pipeline to cinemas, gardens, wineries, restaurants etc.

On Wednesday 12th February a speaker from St Petrocs (working for the homeless in our society) will give a talk. Our members are bringing toiletries and sanitary products to make a boxful of items for these unfortunate people. Subgroups of like-minded members can be set up - indeed the *KNIT AND NATTER* group is one of them and they are going to be furiously knitting pouches and nests for **abandoned joeys in Australia**, abandoned as their mothers frantically fled those dreadful bush fires. We are now able to support whichever charities the members feel strongly about and to launch our new group we are holding a **Bacon Butty and Hot Dog morning** (vegetarian option available) on Saturday **15th February** at the Community Centre starting at 10.30am. There will be home-made cakes and biscuits to buy and a good raffle too. **All proceeds are for the Australian fire fighters and the Australian animal charities.** Please come and support these causes and enjoy breakfast in the Centre.

Anyone wanting further information on the "JOYBIRDS" please contact Lynne on
01208 851277.

ST TEATH COMMUNITY SPEED WATCH

On Friday 10th January 2020 the St. Teath Speed Watch team were in action between 2 -3pm. 143 vehicles were driven by, out of which 14 were recorded as being driven above the 30mph speed limit.

The speeds of the vehicles breaking the speed limit were:

1 x 51 mph; 1 x 47 mph; 3 x 41 mph; 1 x 39 mph; 1 x 38 mph; 6 x 36 mph; 1 x 35 mph.

The vehicle driven in the direction of the village at 51 mph did not slow down as it passed us.

Wednesday Pilates Sessions—New contact details and times

Pilates sessions now run from 6—7pm and 7.15—8.15pm in the Church Hall.

Booking is essential - please contact Linda Craven to book your place

ST TEATH SCHOOL REPORT

Christmas may now be a distant memory but it was an extremely busy time for the children of the school. Many parents, grandparents, aunts uncles and community members enjoyed 6 outstanding Christmas productions in the school hall, during the week before the school broke up for the Christmas Holidays. Elm and Willow performed **A King is Born**, to packed audiences on 3 occasions and Sycamore and Oak enjoyed similar audiences with their productions of **Silent Night**. Each class also performed fabulous Christmas dance routines, which were choreographed by Jack Procter. These were colourful and energetic performances and were certainly well received, if the donation bucket was anything to go by! The school raised a staggering £780 over the six shows and this will go some way to improving the Performing Arts provision, we can offer at the school. May I thank all those who attended and were so generous with their donations.

The school also raised a truly fabulous £520 from its Christmas raffle - 'What's in your box?' This original idea of creating a Christmas Tree from egg boxes and linking a prize to each box was a break from the traditional raffle, but equally effective in raising eagerly required funds. Thank you again to all who donated prizes and those who bought a box number.

The children have now come back to school after a restful Christmas break and are once again busy in the classrooms. Each class is now embarking on their new topics for the term: Elm - Local traditions, Willow - The Rainforest, Sycamore - Roald Dahl and Oak - The Beatles. These topics promise to produce some wonderful work, of which, I am certain, the children will be truly proud. **Paul Howard**

ST TEATH CHRISTMAS LIGHTS

The whole village would like to say a huge thank you to the **Village Lights Committee** for the wonderful illuminations this year — you all worked so hard to make it happen. A special thankyou to whoever installed the lights along the playing field hedge. It was great to see North Road included! Every year we think the lights can't possibly get any better - then they do! And how they withstood the dreadful battering they received from the storms over the festive period is little short of a miracle - well done everyone!

A special thank-you to the White Hart, the School and all the villagers who took so much trouble to make their own houses a positive fairyland of light and colour. The whole of St Teath looked amazing. Congratulations to Janet Hallet on winning the Best Decorated House Competition with her beautiful display on North Road.

We also give a big thank you to **Paul Burden** and helpers for the fantastic fireworks on New Year's Eve, which marked 20 years of Paul's putting on the display for the village. We really appreciate it, thank you!

The Christmas lights committee would like to thank everyone for their help and support with the display last year. Also a big Thank you to Barry and Kerri for keeping us fed and watered whilst getting the display arranged. We are always grateful for any help. TRACY

THANKS

The whole village would like to thank ANDREW for his unstinting efforts in keeping St Teath free of litter. It lifts the spirits to see Andrew on his mobility scooter busily gathering up all the rubbish dropped by inconsiderate people. You're a hero, Andrew! Thank you on behalf of us all.

A BIG thank you to Kerry and the staff at Churchtown Café for selling so many Christmas cards in aid of Merlin. DAVID and LORRAINE.

ST TEATH PRESCHOOL

We are well into our new Spring term, the first of 2020. The children have enjoyed learning all about new year and how it is celebrated in different ways around the world. We have continued to keep in contact with our pen pals from around the world and the children really enjoy getting new letters in the post and finding out what the other children do and how they spend their days at their pre-schools.

The staff and children enjoyed a fantastic ice skating trip to the Eden project just before Christmas, pre-school was able to cover all costs of the trip thanks to the money that we raised at the Christmas fair, which was very well attended and supported by our local community, Thank you.

We had our final bags to school collection of 2019 and raised a massive £204, everything was donated to the pre-school from our parents and you in the wider community so again a huge Thank you for your support, we do not have a date for our next collection yet but we will be collecting again soon.

We are currently very busy at pre-school with a big register of children. If you would like your child to start at St Teath pre-school now is the time to give us a call to get the paperwork. We offer funding for 2, 3 and 4 year olds and we also offer the extended 30 hour funding.

Our Stay and Play sessions have restarted and are being really well attended, Thank-you to everyone who attends making it a success. Stay & Play runs every Wednesday 9:15-11am term time only.

If you would like more information about the Preschool, or would like to volunteer your services, please contact us on 01208 851548 or email: stteathpreschool@talktalk.net

EATING IN THE FIFTIES

Pasta had not been invented. It was macaroni or spaghetti.

Curry was a surname.

A take-away was a mathematical problem.

Pizza? Sounds like a leaning tower somewhere.

Bananas and oranges only appeared at Christmas time.

All crisps were plain.

Oil was for lubricating, fat was for cooking.

Tea was made in a teapot using tea leaves and never green.

Cubed sugar was regarded as posh.

Chickens didn't have fingers in those days.

None of us had ever heard of yogurt.

Healthy food consisted of anything edible.

"Kebab" was not even a word, never mind a food.

Sugar enjoyed a good press in those days, and was regarded as being white gold.

Surprisingly muesli was readily available. It was called cattle feed.

Pineapples came in chunks in a tin; we had only ever seen a picture of a real one.

Water came out of the tap. If someone had suggested bottling it and charging more for it than petrol, they would have become a laughing stock.

The one thing that we never ever had on/at our table in the fifties....was elbows, hats and cell phones.

(Thanks to Yvonne for this very apt contribution. ED)

CONDOLENCES

Once again the Christmas season has brought deep sadness to our village with the sudden and unexpected loss of three members of our community.

The first shock came the week before Christmas when Pat Gerry, long-time resident and good neighbour of Tethadene, suddenly collapsed on his morning walk for his newspaper and died in the centre of the village. Our condolences go to son, Mark, family, friends and neighbours.

The next day brought news of the totally unexpected death of Bev Short, a familiar figure to everyone at village events and fairs, sitting behind a stall piled high with beautifully knitted garments and toys - for sale, of late, in aid of MacMillan Nurses. The Village Show is also going to miss Bev's many original, prize-winning creations. Our deepest sympathy goes to Steve, Bev's son and loyal supporter in all her endeavours and to all her family and friends.

On Christmas Eve came the tragic news of the untimely death of Sharon (nee Burden) Jean and Terry's daughter. Many villagers will remember Sharon as an incredibly lively schoolgirl and a brilliant sprinter, who then went on to work in Canada and to carve out an impressive career for herself in Special Needs education in north London. Jean and Terry's many friends in the village send all their love and sympathy to them and to Stuart, Richard, Rosannah, Camilla and Ernie. We share in your sorrow.

THANKS

JEAN, TERRY & Family would like to thank everyone from the bottom of their hearts for their wonderful, kind support after the very, very sad loss of our dear daughter, Sharon. Words can't say how much we are missing her.

ANNABELLE'S CHALLENGE

Sharon's life was cut short by Vascular Ehlers-Danlos syndrome, a rare condition which was diagnosed a few years ago. From this time Sharon and her family have been supported by the only charity in the UK that helps people with this condition: *Annabelle's Challenge*. It is a very small charity relying entirely on community support and as such would be very grateful for any help you are able to give by making a small donation to:

www.justgiving.com/sharon-marie-honey

Thank you very much.

WANTED

Could someone be kind enough to loan me an exercise bike for a few weeks. I am recovering from a shoulder operation and am unable to swim, do Pilates or play badminton and I need to keep fit. Thank you.

A Methodist Minister's View

Looking through my diary for the month of February I noted that Sunday, 9th February is set aside as Racial Justice Sunday in our Methodist Church year, followed of course by St. Valentines Day on 14th February. Valentines Day is amongst the top three Special Occasions for the greetings card industry. However, it may surprise you that it is felt necessary to have a day in which the focus is on Racial Justice.

I find it sad that we need to draw people's attention to the issue of Racial Justice, but it was an issue at the time of the General Election and a running issue over the Christmas/New Year period within some Premier League football matches. You will recall the comments in the run-up to the Election about Islamophobia in the Conservative party and Anti-Semitism in the Labour Party. Within the footballing circles they have been running a 'Respect' programme over the past few seasons in an attempt to address the issue.

All of this is still happening despite the fact that it was more than 55 years ago that Martin Luther King raised the issue in the United States of America, which led to the development of relevant legislation, and education programmes in many countries of the World. I guess that the Queen, the Prime Minister and the Archbishop of Canterbury had the issue in mind, amongst others, when they made references to 'Building up Communities' and overcoming tensions in their Christmas and New Year messages.

Perhaps it is good that Racial Justice Sunday, and St. Valentine's Day, with its emphasis on love, come so closely together. The commandment of Jesus to 'Love one another, just as I love you' (John 15:12) immediately comes to mind when one thinks about these issues. It is also good to remember that we are all given life by God, and we are all equal in his sight.

We live in a Multi-Cultural World, and in Great Britain a Multi-Cultural country. It is good to celebrate this and look at our personal attitudes and prejudices at the same time.

Every Blessing,
BRIAN EDE

PAUSE FOR THOUGHT

The past few months seem to have been ones of many losses and good-byes. Some were expected and others sudden and shocking. We have both grieved and watched with those who grieve and struggled to find, or to receive, words of comfort.

I recently read a poem that I found very moving as I reflected on love and loss - the writer adds a footnote that reminds us that we can pause to look back and forward at any time and consider what are the jewels in our path, the treasures in dark places?

Now is the time to sit in the shelter
of all the happy years
touching again the pleasures, and pains...

A time to reflect
and mend any faults you find,
A place to find peace
like the ripening of a fruit.
And then to see that the things that matter
are the people in your heart
and the God who holds it.

Find a time for laughter, as you
look back and count the smiles
or look forward and
count the stairs to heaven.

TIMEPIECE 2020

At a recent gathering of the Timepiece team our financial situation came under review. It was agreed that, in order to make up the funds needed to cover printing costs for the next year, we would hold a **Coffee & Cake morning in March**, rather than increase the rates for advertisers or the number of adverts published each month (which is our only form of income). Look out for details of this event in next month's issue and please try to give us your support to keep *Timepiece* ticking along into the next decade.

We also decided to try to include **more photos** in the newsletter, since the quality of printing is now so good. Starting next month, we aim to print a colour photo on the front cover, so please let us have any photos you think may be suitable. We would also like to see more **reader participation** in the form of *Letters to the Editor* and therefore invite your comments not only on items in the newsletter, but also on any issues affecting the village (apart from dog poo) that you feel strongly about. We do not need to publish your name, if you would prefer to remain anonymous, but we do insist that the editors know who you are.

Anne would like to thank her hard-working and dedicated team : **Sue, Eddie, Yvonne, Glenda, Barbara, Jenny, Anne and Louise** for their ever-willing help and support throughout another year. I couldn't wish for a better team.

EVENTS AT ST ENDELLION

Friday 7th February, 7.30pm
Melange

North Cornwall's Melange blend a stunning mix of voices with instrumental energy. Adrian Jones' piano weaves between the solid root of Neal Jolly's bass, while Morwenna Gee and Lynette Rentoul build rich textures and close harmony tension in a repertoire that melds classic jazz with Latin and contemporary songs. Presented in conjunction with Cornwall Folk Festival.

Saturday 29th February, 7.30pm
Cornwall Camerata - J.S. Bach Brandenburg Concertos 3, 4, 5 and 6

The maiden performance by this new chamber orchestra features soloists Phil Montgomery-Smith, Paul Comeau, Emma Jose, and Karen Green. Conductor: Janet Wright.

Tickets £10 from www.endelienta.org.uk or 07787 944935. Accompanied under 16s free.

Endelienta Open Exhibition
St Endellion hall

Saturday 29 February to Sunday 29 March, weekends 11-4.
A wide variety of work by artists from Cornwall and Devon. Free entry.
